A Prayer of Thanks

May your gracious blessings continue to rest upon our nation and upon our military men and women who defend its shores. Help us always as Rotarians to be mindful of our responsibilities to our great nation, to our community, and to our fellow human beings.

Last Program (Sept. 8)

We listened to the bios of Steve Bohnenkamp and Stephen Brown.

Steve was born in St. Louis and later attended the U. of Missouri located there.

During his career, Steve preferred to work for family owned businesses in product development, sales, and management. He enjoyed working for these businesses although the work required much travel.

Stephen Brown was born in West Monroe, La., and attended LSU. His first career was an army officer working in the health services for 28 years. After his army life, he developed a successful private practice in Houston.

If anyone is in need of a motivational speaker, I would recommend either Steve or Stephen.
