Quote of the Week

The woods are lovely,
dark and deep. But I have
promises to keep, and
miles to go before I sleep.

Robert Frost

Meeting: Sept. 4th

The program was presented by **Jim McClendon**, a director of the Ramsay Funeral Home. **Jim** stressed that everyone needs to be an informed consumer. Go and ask questions now on things one needs to know about funeral details.

Meeting: Sept. 11th

Our speaker was **Craig Claypool**. From memory, he did a recitation of the entire *Declaration of Independence*. He put an emphasis on certain words and passages.

We also learned that **Craig** was a champion water skier who learned to do tricks that only a limited number of others can do.

What to do if you get a letter from the IRS?

Lynn Parent, a federally licensed tax practitioner, will answer that question and others.

Sept. 25 **Location TBA**

The Supt. of Georgetown ISD, **Fred Brent** will be the speaker. Dr. Brent's subject will be school finance and bonds.

Sam is the chairman of Tango Flight, a non-profit organization created to support the construction and operation of experimental light sport aircraft by Georgetown high school students.

An aircraft built by the students just sold for \$70,000. The money will go to the purchase of a new aircraft kit for area students to construct.
