A Prayer of Thanks

May your gracious blessings continue to rest upon our nation and upon our military men and women who defend its shores. Help us always as Rotarians to be mindful of our responsibilities to our great nation, to our community, and to our fellow human beings.

Last Program (Sept. 22)

Our program was presented by **Sarah Woodard**, who represented the **Center for Development in Central America**. This organization, located in Ciudad Sandino, Nicaragua, helps poor people.

They work in these five areas: agriculture, economic development, health care, education, and technology.

Nicaragua is rich in natural resources, but its development has been

hampered by dictatorships, natural disasters, a large national debt, and even climate change.

Rotarians as Movie Extras

Many movies, mostly westerns, have been filmed in the Moab, Utah area. The beautiful mountain scenery makes Moab an ideal place.

One biblical movie required over 400 extras. The entire **Rotary Club** became part of the crew and put on fake beards and sackcloth garments to work one day of filming this movie.

Club members donated their day's wages to a fund for building a new scoreboard at the high school.

The Palace Theater

It is not too late to financially support their plan to build a **Children's Education and Performance Center**. See **Carolyn Holloway** to donate now!
