Quote of the Week

Am I not destroying my enemies when I make friends of them?

Abraham Lincoln

September is Rotary's Basic Education and Literacy Month

Meeting: August 24

Sam Smith did the program on the life of **Three-Legged Willie**, whose real name was **Robert Williamson**. Arthritis fused his lower right leg at a 90 degree angle, so doctors attached a peg leg to his bent knee.

Robert went on to become a soldier, Texas Ranger, congressman, and judge who helped shape the history of Texas.

Williamson County is named after him.

Tango Flight: Jarrell ISD

Sam Smith announced that this program will be

started at the high school.

A generous donation from **Dick Will** will help the program become a reality.

Tango Flight is a high school class that provides students with the tools to build and fly a two-seat airplane.

Meeting: August 31

Our speaker was **Bretton Schulz** who spoke about **Career Technical Education** at the Georgetown High School. He is the coordinator of this program.

CTE programs are designed to prepare students for life long success in high wage, high skill, and high demand occupations.
