"Breakfast with Santa" 2021

Sun City Rotary Club, Georgetown Fire Department and Georgetown Independent School District are pleased to recognize and "THANK" all the 2021 "Breakfast with Santa" (BWS) sponsors, donors and volunteers who continue to make this community-wide project possible (21st year for BWS). Unfortunately, our traditional pancake and sausage breakfast prepared by Georgetown Firemen plus photos with Santa had to be modified again this year as a "drive-by" event to simply wave at Santa and then receive a "goodie bag" containing treats and coupons donated by local businesses. The few remaining "goodie bags" that weren't handed out at the "drive-by" were donated for distribution to other kids and families in our community.

What remained unchanged this year is the primary objective of our annual "Breakfast with Santa" project which is helping kids and families in our community and area during the Christmas season. Our focus again this year was to provide food-related assistance rather than shopping for "gifts." Your financial contributions this year made Christmas a lot brighter for fifty families with students at Frost Elementary School in Georgetown, thirty-five teenagers served by "The NEST" (program managed by The Georgetown Project) plus many more additional kids and families assisted by the Jarrell UMC annual Christmas Outreach Project as well as members of our community served by The Caring Place in Georgetown.

Frost Elementary School families, identified and selected by GISD, who accepted the invitation to participate this year, received grocery gift cards to help provide a special family Christmas meal while "NEST" teenagers received envelopes containing gift cards for restaurants and movie tickets. The LOCKER (Georgetown High Schools plus Jarrell High School) received BWS cash and gift cards to support their programs.

Sun City Rotary Club's 21st "Breakfast with Santa" has gradually increased from an initial total of 10 children (4 Georgetown families) to the current level (direct and indirect help for well over 200 kids). Hopefully, in 2022 we will be able to resume our traditional BWS assistance for selected families (primary BWS focus) as well as breakfast and Santa's visit to Georgetown for consultation and complimentary photos with the kids.

"THANKS," again, to everyone who supported another unusual (but successful) "Breakfast with Santa." The individuals and businesses listed to the right as well as many more un-named sponsors, donors and volunteers are the generous people who have made "BWS" possible the past 21 Christmas seasons.
