Dave sent us a note of thanks, and you are part of his success story.

Dear Friends:

I want to thank you for your financial donation of \$2,500.00 on March 24, 2022, to The Caring Place. Gifts from our community continue to make a difference in the lives of people here.

Recently one of our neighbors, Dave, sent The Caring Place a thank you note for providing assistance when he was going through a hard time. Although a successful professional, Dave experienced a medical emergency while also being negatively impacted by the pandemic and a dissolving relationship. The extent of his medical trauma drained his resources and left him with nowhere to turn. Then, he came to The Caring Place. Our Case Management program helped Dave get back on his feet during an incredibly stressful time. Dave is now out of the crisis, and making strides toward health and happiness. It is care from people like you that makes stories like this possible.

Thank you again for being part of The Caring Place story in the lives of your neighbors. Our mission to provide for the basic human needs of all people in our community in a welcoming, respectful and caring way continues because of your generosity.

With warm regards,

Hugh Brown  
President, Board of Directors

Thank you, Rotary,
