*Thank you for beginning  
2023 with others in mind.*

Dear Friends:

I want to thank you for your financial donation of \$2,500.00 on March 15, 2023, to The Caring Place. Your support is making a difference for neighbors in need.

Your gift, whether it is your first gift to The Caring Place or one of many, is inspiring to me. The Caring Place couldn't do the work it does without the ongoing support of people like you. Your generosity speaks volumes about the impact you want to have in this community. Helping people with the most basic of needs like food, clothing and housing when they are going through a crisis is some of the most humane and neighborly work we can do. I am so proud to say that I live and work in such a caring community.

Once again thank you for believing in The Caring Place's mission. As another new year begins, your altruism fills me with hope. You are making a noted difference to families throughout northern Williamson County. That is a great way to start 2023.

With warm regards,

Hugh Brown  
President, Board of Directors
