Dear John and The Rotary Club of Georgetown,

Thanks to you, Opportunities for Williamson and Burnet Counties (OWBC) was able to impact the lives of thousands of our neighbors. Thanks to you, over 665 fresh, healthy, and nutritious meals will be prepared for our local seniors. Our community is stronger, healthier, and receiving needed services – thanks to you. We are in awe of your generosity!

Your recent donation of \$2,000 in April of 2023 means we can continue to serve our neighbors in need, and together we are doing something really special. Let me share with you just a few comments from some of our neighbors who received our services:

- *"I am blessed to have Meals on Wheels. I do not know what I would do without them."*
- *"Thanks to your organization, I am able to stay in my home of 60 years."*
- *"I love so much seeing the smiling volunteers each day...it feels a lot less lonely."*

-Georgetown Homebound Seniors, Meals on Wheels recipients

With your help, we can change lives. By donating to our programs, you make a difference and help your neighbors become and stay independent. OWBC takes great pride in our mission to empower children, families, and seniors to achieve and maintain independence by partnering with area organizations to provide education, nutrition, and community support. Since 1964, when President Lyndon B. Johnson created Community Action Agencies as part of his War on Poverty, OWBC has been able to achieve great success in addressing issues of independence in our community.

We invite you to visit our website at owbc-tx.org to see other great successes in our community, or you can visit one of our many sites and see for yourself the real-life impact our programs are making within our community.

Sincerely,

Kelsey Ward
