Rosemary stopped in to tell her story before beginning her new job.

Dear Friends:

I want to thank you for your financial donation of \$2,500.00 on April 04, 2024, to The Caring Place from the Breakfast with Santa project. Your gift is making a difference to a number of neighbors who need help with food, rent, utilities, and other basic needs.

Neighbors in crisis need basic things to get them through when an unexpected event occurs, and because of your support, The Caring Place can help. Recently, we shared a story about Rosemary, who benefited from using our Food Pantry and Thrift Store vouchers. After a stressful move, she was determined to stay afloat and care for her daughter. The Caring Place's services offered her short-term support while she sought mental health assistance. She said that because of the Food Pantry and the Thrift Store, she was able to maintain a stable home life for her daughter. She knew she'd have food on the table and could get clothing and housewares after her move. Often, our assistance can sustain families until they receive the next paycheck, the next job, or the next plan. In Rosemary's case, she took a new job and began a new life helping students online in Ukraine. The Caring Place is thankful to be part of that story.

Thank you for helping The Caring Place help neighbors like Rosemary because we are all making a difference together.

With warm regards,

Ginna O'Connor
Executive Director
