Dear John and Rotary Members,

On behalf of The Georgetown Project, I want to thank you for your generous in-kind donation of gift cards and breakfast with Santa tickets, valued at \$2,500.00, that we received for our NEST Empowerment Center. Every item contributed is deeply appreciated by our organization and makes a difference for the children, youth and families we serve.

The Georgetown Project has worked for 28 years as a catalyst for collaboration around children and youth issues and seeks to inspire a common vision for a community where all young people have the opportunity to thrive. We provide leadership among youth-serving organizations through The Georgetown Project Collaborative for Children & Youth, and we offer direct services for kids of all ages through the following programs:

- Assets In Action (intergenerational leadership and service opportunities for all ages)
- Bridges To Growth Parent Center (preschool and elementary children and parents/providers)
- The NEST Empowerment Center (high school students)
- Summer Youth Employment Program (high school students)
- Community Engaged Learning and Internships Partnerships (college students)

It is your generosity and belief in our work that enables us to sustain and grow this work for greater impact on the lives of young people. We are deeply grateful for your partnership. With your help, we will continue to work toward our vision that Georgetown is ***“A community where no child is hungry, hurt, alone or rejected, and where all children and youth believe they are loved, respected and treated with dignity.”***

Thank you,

Rob Dyer
