**20<sup>th</sup> Annual**  
**Breakfast with Santa**  
*December 12, 2020*

Thank you for participating in today's **special DRIVE-THRU** "Breakfast with Santa." Hopefully, next year we can resume the annual tradition of eating pancakes and sausage and getting pictures taken with Santa. As a token of our appreciation for supporting "Breakfast with Santa," please enjoy the "goodies" in this bag that were carefully packed and handled by Rotarians and volunteers wearing masks and gloves.

What remains **unchanged** this year is the **primary objective** of our annual "Breakfast with Santa" project which is **helping kids and families in our community and area** during the Christmas-season. **This year's goal is to focus on providing food-related assistance for as many kids and families as possible.** All (100%) of the **sponsorships and donations** from the business community and other individual donors **go toward helping kids and families.** **"Breakfast with Santa" is much, much more than just a breakfast.** Although we have **adjusted this year** by only conducting activities that can be done safely, we look forward to a more normal event in 2021 with Georgetown firemen cooking breakfast and Santa's pre-Christmas visit!

**Be safe and THANK YOU for supporting our communities.**
