“Breakfast with Santa”

2024

THE SUN

Sun City Rotary Club, Georgetown Fire Department and Georgetown Independent School District are pleased to recognize and “THANK” all the 2024 “Breakfast with Santa” (BWS) sponsors, donors and volunteers who continue to make this community-wide project possible (24th year for BWS). This year 950 people were able to enjoy the traditional pancake and sausage breakfast prepared by Georgetown Firemen as well as the complimentary Santa photos of kids and families. The City of Georgetown is fortunate to have a wonderful facility like the San Gabriel Community Center for hosting events like Breakfast with Santa!

What has remained unchanged for 24 years is the primary objective of our annual “Breakfast with Santa” project which is helping kids and families in our community and area during the Christmas season. The focus again this year was to provide food-related assistance. Your financial contributions this year made Christmas a lot brighter for more than 60 families in Georgetown (primarily from Frost Elementary School plus a few other families at other GISD campuses) who accepted the invitation to participate and received H-E-B grocery gift cards. Teenagers served by “The NEST” (program coordinated by The Georgetown Project) received gift cards for restaurants and movies. BWS contributions also helped many more additional kids and families assisted by the Jarrell Community Food Pantry as well as members of our community served by The Caring Place in Georgetown, kids that receive weekly food from Backpack Buddies and seniors that receive Meals-on-Wheels (Opportunities for Williamson and Burnet Counties). The LOCKER Foundation (Georgetown Schools) received BWS funds to help support their food-related programs.

Rotary’s motto of “Service Above Self” was clearly demonstrated by two generous “Pacesetter” sponsors this year (10th time in 24 years that BWS has had a “Pacesetter” sponsor – first time we’ve ever had two)!

Sun City Rotary Club’s 24th “Breakfast with Santa” outreach has increased from 10 children (4 Georgetown families) up to this year’s direct and indirect food-related help for well over 400 kids. It was wonderful to see the Community Center filled with happy families enjoying a hot breakfast, lots of kids and families getting their picture taken with Santa and many kids carefully preparing a letter to Santa (activity added this year).

“THANKS,” again, to everyone who supported and participated in our traditional “Breakfast with Santa” this year. The individuals and businesses listed to the right as well as many more un-named sponsors, donors and volunteers are the generous people who have made “BWS” possible for the past 24 Christmas seasons.
