Dear John & Club Members:

On behalf of The Georgetown Project, I want to thank you for your 2019 in-kind donation of \$3,500 (35 - \$25 City Lights gift cards, 35 - \$25 Subway gift cards & 35 - \$50 Target gift cards). Your contribution is deeply appreciated by our organization and makes a difference for the children, youth and families we serve.

The Georgetown Project has worked for 23 years as a catalyst for collaboration around children and youth issues, and seeks to inspire a common vision for a community where all young people have the opportunity to thrive. We provide leadership among youth-serving organizations through The Georgetown Project Collaborative for Children & Youth, and we offer direct services for kids of all ages through the following programs:

- Assets In Action (intergenerational leadership and service opportunities for all ages)
- Bridges To Growth Parent Center (preschool children and parents/providers)
- Kid City Summer Camp (elementary students)
- After School Action Program (middle school students)
- The NEST Empowerment Center (high school students)
- Community Interaction Partnership (college students)

It is your generosity and belief in our work that enables us to sustain and grow this work for greater impact on the lives of young people. We are deeply grateful for your partnership. With your help, we will continue to work toward our vision that Georgetown is *"A community where no child is hungry, hurt, alone or rejected, and where all children and youth believe they are loved, respected and treated with dignity."*

Thank you,

Leslie Janca
