The primary objective of this year's 23<sup>rd</sup> annual "Breakfast with Santa" project was to provide **food-related assistance** for local children and families. Thanks to the generous support from our community, that objective of **helping children and families was achieved**. "Breakfast with Santa" (BWS) is **much, much more than just a GREAT "breakfast"** (if you didn't get to enjoy the GFD-prepared hot pancakes and sausage "breakfast" on Saturday morning, December 23, 2023, at the San Gabriel Community Center, hopefully we'll see you there in 2024).

**Thank you** for your generous donation of «M\_2023Contribution» which helped make Christmas 2023 a lot brighter for many children and families in our area. A copy of the "Thank You" ad published in the 'Williamson County Sun' which lists key contributors plus additional information about the project is enclosed. BWS provided grocery gift cards to more than 50 families with children attending Frost Elementary School in Georgetown as well as cash support for Jarrell United Methodist Church's Community Food Pantry. The Georgetown Project's NEST program, serving GISD students identified as "homeless," received an assortment of gift cards enabling those students to do normal teenager activities. The Caring Place, Georgetown Backpack Buddies, Richarte High School and The LOCKER also received financial support for their food-related programs. The generous support of caring individuals makes "Breakfast with Santa's" sharing with those in need in our community possible.

**Thanks again for supporting our communities.**

Sincerely,

**John M. Chenoweth**

2023 "Breakfast with Santa" Chairman
