The primary objective of our 25th annual “Breakfast with Santa” project was to provide **food-related assistance** for local children and families. Thanks to the generous support from our community, that objective of **helping children and families was achieved**. “Breakfast with Santa” (BWS) is **much, much more than just a GREAT “breakfast”** (if you didn’t get to enjoy the GFD-prepared hot pancakes and sausage “breakfast” on Saturday morning, December 20, 2025, at the Georgetown Community Center, hopefully we’ll see you December 19, 2026).

Thank you for your generous donation of «M_2025Contribution» which helped make Christmas 2025 a lot brighter for many children and families in our area. A copy of the “Thank You” ad published in the ‘Williamson County Sun’ which lists key contributors plus additional information about the project is enclosed. BWS provided grocery gift cards to more than 60 families with children attending Frost Elementary School in Georgetown as well as financial support for Jarrell’s Community Food Pantry. The Georgetown Project’s NEST program, serving GISD students identified as “homeless,” received food-related and movie gift cards so those students can have an opportunity for typical teenager experiences. The Caring Place, Georgetown Backpack Buddies, Meals-on-Wheels and The LOCKER also received support for their food-related programs. The generous support of caring Rotarians, individuals, and businesses enables “Breakfast with Santa” to share and help those in need in our community.

Thanks again for supporting our communities.

Sincerely,

John M. Chenoweth
