Who Are Rotarians?

- Rotarians are people of action, driven by a desire to create opportunities, strengthen communities, and find solutions to the tough challenges that affect people around the world.
- Rotary is a community of 1.2 million men and women from all continents, cultures, professions, and experiences who connect through our local clubs.
- Rotary clubs tackle projects of every scale and inspire fellow Rotarians, friends, neighbors, and partners to share their vision, exchange ideas for lasting solutions, and take action to bring those ideas to life.
