

Why Join the Rotary Club of Solon?

1. **The Opportunity to Serve.** Rotary's business is mankind; its product is service. We serve both our local community and the international community, with a focus on children, food, and clean drinking water.
2. **Local Service.** Many of our projects are right here in Solon and in Northeast Ohio. Our local fund raising dollars stay right here in this community.
3. **Citizenship in the Community.** We are active members of the Solon community and work to improve it.
4. **Citizenship in the World.** Rotary is made of 1.2 million members in 30,000 clubs in almost 200 countries. Your membership means instant friends and assistance if you need it around the world.
5. **Friendship, Fellowship and Fun.** Meet new people with shared values; participate in fun service projects and social activities! Rotarians like people.
6. **Leadership.** Take a project and "own" it. Learn how to motivate; make a difference. Rotarians get things done.
7. **Growth and Development.** When you learn about and serve others, you also learn about yourself. Develop your leadership, interpersonal, vocational, and other skills.
8. **Business Development.** Our club, and Rotary generally, is a cross section of the business community. Rotarians help each other as well as others.
9. **Education.** Learn about your community and the people in it. We regularly feature guest speakers at our meetings from Northeast Ohio non-profits and other organizations.
10. **Because We Want You.** We're always looking for motivated new members to help us fulfill our service goals and to bring new energy to the club. Will you consider joining us? Contact any Rotarian for more information, or visit www.clubrunner.ca/solon.
