INTERNATIONAL TOAST

Rotary Club of Ulaanbaatar – Les Vickerman

From the second Century BC when the Mongol tribes of central Asia confederated they posed such a threat to the Chinese Empire that the Chinese started building the Great Wall to keep them out. By the end of the 12th Century AD Ghengis Khan had started conquering all of Asia and created the Mongol Empire which eventually spread from Poland to Korea and from Siberia to the Gulf of Oman and Vietnam including China.

By the 17th Century the Chinese ruled Mongolia again but supported by Russia Mongolia declared itself independent on 11th July, 1921 and became a Soviet dominated communist republic. Tomorrow they celebrate that event as their Independence Day.

By a peaceful democratic revolution they gained true independence in 1990 when the USSR collapsed.

Nowadays there are 3.1 million Mongols and their capital, Ulaanbaatar has a population of 1.3 million of them.

The Rotary Club of Ulaanbaatar is the oldest of 11 Clubs in Mongolia. It was Chartered in 1995 in District 3450 which also covers Hong Kong, Macao and part of China.

The Club hosted a Youth Exchange Student from Australia last year. President Delgertsoo Tsevel leads 27 Members serving their community.

Lynton asked Members if they had read the latest Rotary Down Under.

There is an interesting article by Dot Hennessy from the Rotary Club of Wollongong.

There is a Gnome Painting Event where there are 5000-6000 Gnomes which are sold to the Kids. Robert de Jong is looking at a similar project for our Club.

Rotary is the Charity of Choice for Canberra Floriade 2018. It is being held this year from September 15 to October 14.

Ray Coulton may have to have an operation before our RAWCS trip to Fiji so may not make this year's trip. He is such an inspirational part of the RAWCS Team.

Meetings for July 24 and July 31 will not be at the Golf Club. We will have our July 31 Meeting at Kookabar and will advise regarding July 24.
