## Board Meeting Summary – 6 April

Last Monday the Board met via Zoom and while there were no significant decisions made please find below a summary of the meeting.

- District 9705 (new District) is running training on a District Database via Zoom. Rod A, Ian L & Trevor F will be participating.
- Berrima District RC requested some financial support for the provision of contactless thermometers for Bowral DH. An amount of \$375 was approved.

As the Board Meeting was such a great success, the Club will be running its first online meeting on Tuesday 21<sup>st</sup> April. This meeting will comprise a member talk only. The meeting will open at 6:30 and will close at 7:00 pm.

The topic of the talk will be "Navigation". This is guaranteed to be an entertaining and useful talk. Once we are able to get out and about again we will implement the skills we have learned on the Boxvale Track.

Instructions will be forwarded next week to allow members to trial Zoom before the meeting.

I will be available to assist if necessary.

Zoom is an app that uses your computer / tablet / phone mic and camera. A link to their website is <https://zoom.us/download>

Prior to the meeting a meeting number and password will be provided to allow access to the "meeting".

### Fun spot of the week.

#### Thank you Denise for this week's Fun Spot.

At 7.45 am today, I was in a long line at the grocery store, waiting for it to open at 8am for seniors only. A young man came from the parking lot and tried to cut in at the front of the line, but an old lady beat him back with her cane.

He returned and tried to cut in again, but an elderly but fit gentleman punched him in the gut, then kicked him to the ground and rolled him away.

As he staggered to the line for the third time, he said loudly, *"If you don't let me unlock the door, you're never going to get in there!"*
