Toast to all the Mums

## International Toast – Robert de Jongh

Over the weekend everyone's second favourite song and country won the Eurovision Song Contest.

Salvador Sabral with *Amar Pelos Dois - Loving for the Two of Us* written by his sister Luísa Sabral incorporated traditional Portuguese music in a modern love song. It is the first time in 62 attempts that Portugal has won the prize.

Salvador was born in Lisbon in 1989, coincidentally the same year as the Rotary Club of Lisboa-Lumiar was chartered. The Club is in District 1960 which covers the southern half of Portugal including Lisbon, the Capital City with 2.3 million of the country's 10.3 million population.

From the 16th Century Portugal had an empire including Brazil, Angola, Mozambique, Goa, Macao and East Timor. When the Salazar Dictatorship fell in 1975 Portugal withdrew from empire leaving the colonised peoples to years of civil war in most of the abandoned underdeveloped territories.

Portugal now enjoys a high standard of living as a Member of the European Union and is regarded as one of the most peaceful and contented nations on earth.

The Rotary Club of Lisboa-Lumiar is only small but has 9 enthusiastic Members led by President Clara Cruz. They combine with two other Clubs to provide a Masters Scholarship each year for students at a college of higher education in Lisbon.

## Toast Reponse – RC of Alderney

Dear Rod,

Thank you so much for your kind message which I shall relay to our Club Assembly this evening.

Alderney itself was not liberated until a bit later, but we certainly recognise 8th/9th/10th May as the "beginning of the end". This island faced challenging times during WWII, as did many parts of the Rotary diaspora.

Thank you again for your kind thoughts.

Yours in Rotary,

Hilary Bentley
