The Republic of Equatorial Guinea is a small country on the west coast of Africa on the Gulf of Guinea. Its capital, Malabo is located on an island about 120km offshore.

It was colonised by the Portuguese in 1472 and ceded to Spain in 1778. It was a source of slaves shipped to the Americas until the mid 19th Century.

It attained its independence from Spain on 12th October, 1968 and celebrated its Independence Day last Friday.

The country's wealth comes from petroleum which makes up 97% of its export income. Unfortunately the benefits go mainly to the ruling elite with extreme corruption and human trafficking endemic under the rule of a brutal dictator known for suppression of the press and human rights.

1<sup>st</sup> September 2018

To all Club Presidents, Youth Directors,

Welcome to RYLA 2019 - the first merged Rotary Programme between Districts 9700 and 9710. In 2019 the Rotary Youth Leadership Awards (RYLA) will be held from the 13th to 18th January inclusive at the Greenhills Conference Centre, Cotter, ACT. RYLA is a challenging six day residential program held in January for young people aged 18 to 25 and offers a unique opportunity for motivated individuals to access some influential and inspirational speakers and trainers. RYLA is designed to challenge and inspire these young people and assist them to gain further confidence and self-esteem as well as setting goals for their future.

Past Rylarians assist in the running of the programme, and through their experiences attending previous RYLA programmes, give an enormous amount of support to their peers and the community.

Applications can be found on line through the District 9710 Web Site at <https://www.rotaryd9710.org.au/projects/vocational/ryla.html>. The closing date for RYLA applicants is Friday 30th November 2018.

**However, there is an EARLY BIRD fee of \$840 for those clubs who have completed applications to us by 30<sup>TH</sup> OCTOBER after this date the full fee of \$910 will apply.**

On the website you will find a downloadable RYLA brochure that you can give to interested people plus a downloadable Recruitment Information Pack and Application Form to utilise when you are interviewing prospective participants. Once you have selected a RYLA participant, I encourage your club to invite them to attend some Rotary Club meetings prior to the programme.

Fees will be invoiced from the District 9710 Treasurer to participating Clubs and cover accommodation, all meals and programme expenses. The full registration fee is \$910 but if you register your RYLarian before October 30<sup>th</sup> 2018, your club will be invoiced for the Early Bird Fee of \$840 per participant, after which the full fee of \$910 will be invoiced.

Your club members are invited to join the RYLA committee and Rylarians for a Rotary dinner on Tuesday 15th January 2019. The dinner will be held in the dining hall at Greenhills Centre from 6.00pm. For this dinner our Keynote speaker is Dr Jenny Gray, CEO Of Zoos Victoria and Author of ***Zoo Ethics – The Challenges of Compassionate Conservation***.

For catering and seating purposes we will require final numbers and dietary requirements no later than Tuesday 8th January 2019. These can be forwarded to the RYLA Committee's Chair email [lyndallmc@bigpond.com](mailto:lyndallmc@bigpond.com).

**If you have any questions please either email the committee at [lyndallmc@bigpond.com](mailto:lyndallmc@bigpond.com) or alternatively, you can call me directly on 0418861612.**

Yours in Rotary
