SPECIAL EDITION

1. Next Week's meeting

As you are aware the Golf Club is unable to accommodate us for our next meeting on 6th March, 2018.

I have been able to secure the Celtic Room at the Scottish Arms. However the price is \$30 for a Roast Dinner.

As we have an interesting speaker, being Patrick Knott talking about the Highlands Concierge it would be great to invite partners, friends, potential members to this interesting presentation.

2. Clean Up Australia Day.

A big thank you to Jacinta for co-ordinating this Sunday's Clean up. Instructions are:

Thank you to all members who have expressed interest in volunteering on Sunday 4th March 10am - 12pm for Clean Up Australia Day.

I have registered our team online. Feel free to bring along a friend or family member if they would like to participate. Please also remember to wear enclosed shoes, sunscreen, glasses, gloves and hi-vis clothing or vest if you have them.

There are guidelines we need to follow that help determine where we can do our clean up, for example, roads with 50 km/hr speed zones are recommended. Adequate walking space and access beside the roadway is necessary to ensure our safety. Bearing the above guidelines and others in mind, our plan for the day is as follows: Meet at 10am at Mittagong Golf Club Carpark. We will set off in small groups of two or three from there to cover the following areas:

- Walking track to Willow Vale and return
- Around the tennis courts/gym/football oval/caravan park
- Footpath into Mittagong on the left and do near Train Station/Winifred West Park
- Footpath on the right heading towards Mittagong ending up at Iron Mines Oval
- If we have extra volunteers, a group could be driven to the Antique Shop at Welby and do footpath heading towards Marketplace, returning to the Golf Club

Those who have time could meet for lunch afterwards in Mittagong at The Lion Rampant Hotel – we're going to be in work clothes, so I thought somewhere simple might be the ticket!

If you plan to participate, please let me know so I have an idea of numbers for both the clean-up and for lunch. Please take time to read the Risk Warning attached from Clean Up Australia Day.

Thank you for your help.

(PS If it is raining on Sunday 4th, we will need to cancel/postpone. I will notify via email on the day if needed.)

Editor: The BOM forecast is for 80% chance of 3-10 mm and possibly a thunderstorm. So a shower jacket may be in order. We will be in the pub before the storm hits.

Kind Regards

Jacinta Sheridan
