R C B-M AUSTRALIA DAY CELEBRATION

Thanks to Miel and Gerry Kroon for the use of their lovely home, in what has become a tradition for Australia Day

As usual, there were four seasons in one day but thanks to roofing over the back deck, no-one except the chefs got wet.

Despite not having Dryzabones and Akubras, both excelled: Ray C on the snags, Frank Kelly on the jumbuck straps.

We also had a fabulous range of salads and desserts; thanks also to all who contributed. We went home full as ticks!

There were few formalities, mainly President David thanking Miel and Gerry.

CONGRATULATIONS TO PRESIDENT OF BOWRAL HIGH SCHOOL INTERACT CLUB, WILLIAM KOEK, AWARDED “YOUNG CITIZEN OF THE YEAR FOR 2018” BY WINGECARRIBEE SHIRE COUNCIL (Thanks, Robbie for this excellent news. Robbie says that another BHS Interact member was runner-up).

Mr William Koek

William is a valued member of the Bowral High School community and is an energetic and thoughtful young man whose personal values are of the highest level. William inspires people to give more of themselves than they realise, he takes his education extremely seriously and works hard to achieve at the highest level. He is the first to offer assistance with school activities and participates in all school events.

William is the embodiment of our school values of Respect, Responsibility and Fairness. William believes that students should be given equal opportunity to succeed and he works tirelessly to ensure that this occurs at Bowral High School. William is a 2018 School Prefect and is regularly required to speak or host school assemblies. He is well liked and respected by teachers and students alike.

William assists with community activities such as selling badges for Legacy or collecting for Red Cross. William is the current President of BHS Interact Club and utilises this position to further the Rotary ethos in the wider community.

William demonstrates excellence in every role or acuity he assumes. He is a fabulous organiser, honest to a fault and his standard of work in the community would leave many to shame. This can be easily seen through his work organising the Interact Students and BHS in fund raising activities to help rebuild the Library at the BHS sister school in Cambodia.
