Thursday is the National Day of the Republic of Azerbaijan.

Azerbaijan was originally formed in the 4th century BC, evolved through invasions and occupations through Christian kingdoms and Moslem caliphates until it became independent on this day in 1918. It didn't last long as it was forced to become a Soviet Socialist Republic in 1920 but it finally achieved its independence with the collapse of the USSR in 1991.

It is a country of 10 million people rich in oil and gas on the ancient Silk Road from Europe to Asia. It has the Caspian Sea to its east and is bounded by Russia to the north, Georgia and Armenia to the west and Iran to the south.

Its Capital is Baku, a port city of 2.1 million which hosts the only two Rotary Clubs in the Country - the Rotary Club of Baku Khazar was Chartered in 2014 has 16 Members led by President Fuad Imanov.

District 2430 has 103 Clubs and also covers Afghanistan, Kazakhstan, Kyrgystan, Tajikistan and Turkey.

Presentation – Robert de Jongh

In July 2019 Robert & Mara went to Indonesia on a dive holiday. The trip's main purpose was to concentrate on macro photography.

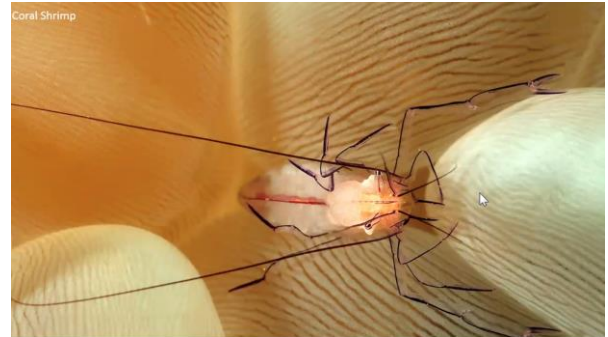

Below is a collage of some of the little creatures many of us would not see as they are only several mm long.
