For a thousand years Denmark was a kingdom, both in its own right and as part of kingdoms including Sweden and Norway. On 5th June, 1849 it became a Constitutional Monarchy on its own while still including Greenland, Iceland and the Faroe Islands. Iceland took its independence in 1944.

Tomorrow Denmark celebrates its national day, Constitution Day.

Denmark has 5.8 million people and will soon be ruled by an Australian when Princess Mary of Hobart becomes Queen.

Vordingborg is an old ferry town of 18 000 on the south coast of the Zealand, one of the main islands with Copenhagen in the north.

It is served by the Rotary Club of Vordingborg which was Chartered in District 1480 in 1947. Its 50 Members are led by President Lars Larsen.

The Club had a Global Youth Exchange Student at the Rotary Club of Bendigo last year and is hosting an Exchange Student from Townsville this year.

Announcements

Trevor Fair -

Womens Refuge Discussion - Trevor sought feedback from members, in relation to the establishment of a Womens Refuge for the Highlands. Following last month's 2 presentations there seems to be a demand for a Refuge.

Members openly discussed the issues and it was agreed that it would be raised at the next Board meeting with the view of instigating the feasibility of the establishment of a refuge. Rod Aistrope, Ian Johnson, Denise Coad, Vicki Kelley & Mary Ramsay would all like to be involved.

Harbison - Trishaw Program - correspondence has been received from Harbison who are seeking support for Cycling Without Age program. Basically some fit Rotarians would peddle a rickshaw with elderly residents of the highlands as passengers.

This correspondence will be tabled at the next Board Meeting.

*Ed: I can see Les enjoying being peddler and tour guide.
Anyone interested?*

Interact - Milk Bottle Program - Bowral HS Interact Club is participating in a program of collecting plastic milk bottle lids. The lids are recycled into filament and then used in 3D printing to make prosthetic limbs for the 3rd World.

Further research has clarified that the suitable plastic is HDPE2. As Interact is attending next week's meeting it would be greatly appreciated if members could make a significant donation to the Interact Club.

Don Graham -

RYPEN - Thank you to Louie & Robyn Liberale for transporting the RYPEN students to Mogo.

MUNA - Thank you to Gwenda, David R, Jacinta and Denise for catering. Also thank you to Gwenda for all the preparation.
