Yesterday was the Independence Day of Sri Lanka which became a Dominion of the United Kingdom in 1948.

There is evidence of advanced human occupation of the island of Ceylon for over 100 000 years and it was ruled by its own royalty until European colonisation, first by the Portuguese early in the 16th Century then the Dutch in the mid 17th Century and finally by the British during the Napoleonic Wars in 1803.

It declared itself a republic with its own citizen President in 1972 whilst remaining a Member of the Commonwealth.

The National Day was honoured by playing the interminably long National Anthem at the start of the day's play at the cricket test in Canberra yesterday. The remainder of the match was a tragedy which we won - by a lot.

The Rotary Club of Cinnamon Gardens meets at the Cinnamon Lakeside Hotel near the harbour in the Capital Colombo on the west coast of Ceylon.

It is one of 69 Clubs in District 3220 which also covers the Maldives. The Club has been very active in Community Health especially in support of a school for blind children.

The Club was Chartered in 1988 and its 17 Members are led by President Pushpi Weerakoon.

Switzerland has 26 Cantons with an area smaller than Tasmania. Depending where in Switzerland they speak either Swiss German, French, Italian etc. Stayed in Basel located on the corner of Switzerland, France and Germany.

Basel is famous for the Rhine River. One of the landmarks is an old church. Is also famous for museums.

Julie's school specialised in Science and Maths, which although not favourite subjects , learned a lot.

First host family were Swiss, whereas the second were German. First family cooked a proper meal whereas the German family had bread, etc for dinner.

Both families had twin sisters 17 yo.

Really enjoyed the scenery. Rotary gave Julie a special card, which she used for travel etc.

Went on a Rotary YE trip to Zamatt for a winter get away.
