## Welcome – President David welcomed:

Noeline Brown, guest speaker, friends and partners as well as the Award Recipients and their supporters to this special evening.

### Invocation -Trevor Fair

### International Toast – Robert deJongh

In September last year our International toast was to the Rotary Club of Guatemala North in recognition of their Independence Day.

President David sent our condolences for the damage and lives lost in the country from a severe earthquake and cyclone which had struck within days of each other and received an email of appreciation from the President of the Club.

You will be aware that the Volcán del Fuego (Volcano of Fire) on the west side of the mountainous spine of Central America has erupted resulting in at least 62 dead, 300 injured and 2000 people missing so far.

Guatemala was the heart of the Mayan civilisation which collapsed from drought and famine around 900 AD. The many volcanoes along the tectonic plate fault line must have been a big part of their religion. There have been over 60 eruptions since the Spanish colonised the land in the early 16th Century and Fuego is always active.

The volcano is only 40km from the Capital, Guatemala City but fortunately the population of 2.9 million is safe from this eruption.

The Rotary Club of Guatemala City was Chartered in District 4250 in 1925 and its President, Mario Lopez leads 47 Members.

They have been active in hands-on projects, re-roofing a school near the city and distributing wheel chairs for people with disabilities. They are 100% Paul Harris Fellows. The Club will be busy in helping those affected by the eruption of the Volcano of Fire over the coming months.

## Director Reports

### Presentation – Will Eddowes

Welcome all to of the attendees from all the Nursing Homes and Daycare Centre. Rotary Pride of Workmanship was introduced in 1976 by RC Pennant Hills.

Recognition of excellence. "Do it once do it well".

This Club has attempted to focus on various industries. Pride has more than 2 meanings. As well as one of the deadly sins, Pride in the workplace is an attribute.

Therefore Rotary would like to recognise the contribution made by the care workers in nursing homes and day care centres within the SH.

Three strands

- Care of the patients, physically and mentally
- Excellence from employees give more than what is expected
- Esteem the carers are held in by the loved ones who entrust their relative to these people.

### Awards Night

Will Eddowes introduced Guest Speaker Noeline Brown. Noeline won a Logie in 1978 for most popular actor. In 2008 Noeline was appointed Ambassador for the ageing. As a local resident, she is also the 2018 Ambassador for Tulip Time.

Noeline Brown - would like to celebrate the carers in the local area. Noeline's aunt has provided some personal insight into the ageing process, as has Graham Kennedy.

Noeline's role as Ambassador for the Ageing - her responsibilities included raising awareness of ageing and education of the ageing process.

## Presentations

Abbey House - Wendy Will - 26 years at Abbey House - have all the characteristics of an award winner.

Anthem Care - Theresa Johnson - 5 year employee who is enthusiastic and caring employee.

Bowral House - Lynette Gwilliam - 10 yr compassionate and caring nurse.
