### Meet Fellow Rotarian Dr. Gayle Sherman

Gayle has been a licensed architect for more than 35 years and spent most of her career focusing on retail design and construction. In the mid-1990s, Gayle was hired by LVMH Moët Hennessey Louis Vuitton, a Paris-based conglomerate of more than 60 luxury-goods companies, with the responsibility of acquiring and finishing office space for the company. Gayle was asked to develop and roll-out a chain of cosmetic stores around the world called Sephora. From 1998 to 2010, Gayle served as Senior Vice President of Property Development. In this role, Gayle had the opportunity to work with many talented people on development projects around the world. Gayle's scope of responsibility included global expansion, budget administration, architecture, construction, purchasing, maintenance, site selection, and disaster recovery.

Gayle loved the disaster recovery part of her job and as a result, completed a Doctorate of Business Administration concentrating on emergency management and business continuity planning. In 2010, Gayle established Galena Property Development LLC to work closely with organizations on the development of customized disaster recovery and business continuity management programs.

Gayle is a partner of Hope Community Church in Reno. She has served as a board member and treasurer for the Reno Ski and Recreation Club. She is a member of the Northern Nevada Chamber of Commerce and served as a diplomat for several years.

Gayle and her husband, Peter, like to spend their spare time enjoying outdoor activities. In the winter, they snow ski a few times a week, and in the summer, they enjoy camping trips in their fifth wheel. They have hiked the entire Tahoe Rim Trail, and Gayle rode her bicycle in the AIDS ride from San Francisco to Los Angeles. They met in an elevator in the Parker Meridian Hotel in midtown Manhattan. I guess we had our elevator speeches well-rehearsed.

Gayle's favorite pastime in recent months has been babysitting for her two grandchildren, ages two and three.

### How To Introduce Your Guests And New Members At A Club Meeting

When introducing a guest or new members during a Club meeting, the correct way is to greet the Club President, fellow Rotarians and guests, introduce yourself and state your classification, and then introduce your guest, their title and business affiliation. Please do not introduce any guest as a prospective new member or that they are looking for a position or clients.

### Attendance

Please make sure you turn in make-ups to Carl Fuetsch at a club meeting or by email: [info@renorotaryclub.org](mailto:info@renorotaryclub.org). Don't forget that you need to attend or make up at least 50% of club regular meetings in each half of the year (rolling six months) and attend at least 30% of this club's meetings in each half of the year. Credit can be received for Rotary committee work and other official Rotary functions.
