## RENO ROTARY CHRISTMAS SOCIAL

It looks like our club leadership is trying a new strategy – a social for adults. What a great idea!

Phil Mahoney was the guy in charge and he indicates that he had close to 90 people in attendance. You may recall the last couple of times he asked for people to sign up he was talking about a total of 67 registrations, but attendance was well north of that. The food was good, the beer and wine better and everyone was feeling festive and ready to celebrate the holiday season.

Take a look at the photo of Craig Wesner and Debe Fennel. Many suggested that Craig may have won a foot race with someone on east Fourth Street to claim the suit but in fact it is was a special order from Neiman Marcus, complete with a red felt hat and red suede shoes. If the engineering gig doesn't pan out Craig may have a future as a clothing model at Santa's workshop.

If you didn't get to the social, you missed an evening of fun somewhere between the office parties of the 70s and 80s and what passes today for office parties. Phil assures us that there will be another social soon so be sure to sign up when it is announced and come ready to have some fun. Way to go Phil!

### BRIDGES OUT OF POVERTY

Each week we say to each other **"I am proud to be a Rotarian!"** after we pledge, pray and recite the Four-Way Test. But what does it mean and are we living up to what we say?

In October Reno Rotary contributed \$2,500 to Northern Nevada Connections (NNC), a Bridges Out of Poverty project that was started by Reno Central Rotary. The Bridges program was brought to Northern Nevada by Cherie Jameson of the Northern Nevada Food Bank and helps those in poverty help them themselves. NNC is a program that allows Area 8 Rotarians to interact with partners including the Food Bank, Housing Authority and groups that are critical to helping solve poverty in our area.

Poverty can be generational, one generation to the next stuck in poverty, or situational in which a life event has led to poverty. In most cases those in poverty at least have a roof over their head and is different than homelessness. As David Crumbley, Past President of Reno Central and primary force behind NNC told us October 2, "...the homeless have different service needs than those that are simply stuck in poverty." In the case of poverty, most lack access to needed resources and services and may not know how to access resources that may be available.

This is the second year Reno Rotary has financially supported NNC and it is an evolving program that will make a difference for those wanting to work their way out of poverty. Individuals must apply for and be selected to enter the program and must commit to attending 20 consecutive Monday evening sessions. At each session they are provided a warm meal, opportunity for fellowship with volunteers and then participate in a focused training session on a variety of life skill topics

to help them prepare for and access resources that most of us take for granted.

Local Rotarians can participate as volunteers in variety of ways including leadership of the NNC, teacher/facilitators, mentors and allies of those in the program. This is a Rotary program you should consider supporting.

One of the easiest is to help provide the evening meal. A special Thanksgiving dinner was served on November 20 and Reno Rotary honorary members Gretchen Hughs and Tasha Hall helped cook and provide dinner for 40 attendees.

If you would like to help, please talk with Jerry Hall (775.329.5538 or [jhallreno@sbcglobal.net](mailto:jhallreno@sbcglobal.net)) or David Crumbley (775.200.0550 or [david@cvirtual.com](mailto:david@cvirtual.com)) and get involved in a wonderful hands-on program providing **Service Above Self** and helping someone in need. You will have something specific in mind when you say **"...I'm proud to be a Rotarian"** at your next Rotary club meeting.

### WHAT IS ROTARY?

Rotary is a global network of 1.2 million neighbors, friends, leaders, and problem-solvers who come together to make positive, lasting change in communities at home and abroad.

Solving real problems takes real commitment and vision. For more than 110 years, Rotary members have used their passion, energy, and intelligence to take action on sustainable projects. From literacy and peace to water and health, we are always working to better our world, and we stay committed to the end.

#### **Our motto: Service Above Self**

For more than 110 years, our guiding principles have been the foundation of our values: service, fellowship, diversity, integrity, and leadership.

#### **What we do**

Rotary members believe that we have a shared responsibility to take action on our world's most persistent issues. Our 35,000+ clubs work together to:

*Promote peace*

*Fight disease*

*Provide clean water, sanitation, and hygiene*

*Save mothers and children*

*Support education*

*Grow local economies*

### the **4** way test

Of the things we think, say or do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

### HOW TO INTRODUCE YOUR GUESTS AND NEW MEMBERS AT A CLUB MEETING

When introducing a guest or new members during a Club meeting, the correct way is to greet the Club President, fellow Rotarians and guests, introduce yourself and state your classification, and then introduce your guest, their title and business affiliation. Please do not introduce any guest as a prospective new member or that they are looking for a position or clients.

### ATTENDANCE

Please make sure you turn in make-ups to Carl Fuetsch at a club meeting or by email: [info@renorotaryclub.org](mailto:info@renorotaryclub.org). Don't forget that you need to attend or make up at least 50% of club regular meetings in each half of the year (rolling six months) and attend at least 30% of this club's meetings in each half of the year. Credit can be received for Rotary committee work and other official Rotary functions.
