Emhyr Subramanian

I am Emhyr Subramanian, a sophomore at the Davidson Academy. I was born in Aurora, Colorado (a suburb of Denver) and moved to Reno in the late summer of 2016. I have been learning the violin for around nine years and am a member of the local Reno Philharmonic Youth Orchestra, as well as the Nevada All-State Orchestra. Reno and Denver have very similar environments due to the elevation and arid climate, so the move wasn't much of an adjustment, but I really enjoy the smaller size of Reno as well as its location. My favorite subjects at school are math and science, and in my free time, I enjoy playing my violin (of course), participating in academic clubs and competitions, biking, running, and playing Ultimate Frisbee with my friends. I also have my own nonprofit organization called Solar Systems for Schools, where I aim to provide solar electricity to impoverished schools or those that service less privileged communities. So far, we have helped three schools (two in India and one in Sri Lanka), and currently, I am looking into providing solar power to Fernley Elementary School. You can read more about my organization here: solarsystemsforschools.org. Thank you so much for the wonderful opportunity that the Rotary Club has given me, and I look forward to participating in the area competition!

Rotary Club of Reno music contest winner **Emhyr Subramanian** plays for the Club demonstrating his outstanding expertise on the violin.

LAST MEETING PICTURES

Charlie Dodson just returned from a visit to our Panama Project that is just getting ready to open its doors to orphans. The Panama Project is in association with 2 Rotary Clubs in Panama. Charlie received one of their flags and will send a Reno Rotary Club flag back.

President Bill awards **Karen Grosz** the coveted Member of the Month pin.

MEMBERSHIP MINUTE

PEANUT or PLAIN? DICK vs DENNY?

Don't forget to invite your friends and colleagues who would be good potential members to a club meeting or event. You'll be rewarded by a large bag of M&M's (because "Membership Matters.") If they join, your team, captained by Dick Gammick or Denny Williams, will score a point toward our Membership Competition. We can't wait to hear what our team captains pick think of for each other for winning this competition. It should be hilarious!

WHAT IS ROTARY?

Rotary is a global network of 1.2 million neighbors, friends, leaders, and problem-solvers who come together to make positive, lasting change in communities at home and abroad.

Solving real problems takes real commitment and vision. For more than 110 years, Rotary members have used their passion, energy, and intelligence to take action on sustainable projects. From literacy and peace to water and health, we are always working to better our world, and we stay committed to the end.

Our motto: Service Above Self

For more than 110 years, our guiding principles have been the foundation of our values: service, fellowship, diversity, integrity, and leadership.

What we do

Rotary members believe that we have a shared responsibility to take action on our world's most persistent issues. Our 35,000+ clubs work together to:

Promote peace

Fight disease

Provide clean water, sanitation, and hygiene

Save mothers and children

Support education

Grow local economies

the 4 way test

Of the things we think, say or do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

HOW TO INTRODUCE YOUR GUESTS AND NEW MEMBERS AT A CLUB MEETING

When introducing a guest or new members during a Club meeting, the correct way is to greet the Club President, fellow Rotarians and guests, introduce yourself and state your classification, and then introduce your guest, their title and business affiliation. Please do not introduce any guest as a prospective new member or that they are looking for a position or clients.

ATTENDANCE

Please make sure you turn in make-ups to Carl Fuetsch at a club meeting or by email: info@renorotaryclub.org. Don't forget that you need to attend or make up at least 50% of club regular meetings in each half of the year (rolling six months) and attend at least 30% of this club's meetings in each half of the year. Credit can be received for Rotary committee work and other official Rotary functions.
