**The Rotary Club of Reno meets at Harrah's Reno at Noon on Monday**

## MONDAY'S PROGRAM

**Jack Hawkins**

*Tiny Houses*

Jack Hawkins established Hawkins and Associates in Reno, NV in 1994. Hawkins and Associates is LEED certified and is committed to creating architecture that is beautiful, functional and sustainable.

Each project is designed to be a unique reflection of the client and the intended function of the structure. In addition, each design is tailored to its specific site, topography, and climate. Great care is taken to integrate the structure, technology, and mechanical systems with the architecture and interiors. Construction detailing and construction administration are given the same level of care and respect as the creative design process.

Jack has received many architectural awards dating back to 1983, continuing through 2016.

*President Craig present Rotarian of the Month award to **Joe Murin** for his cumulative consistent hard work for the Club and especially for putting on this month's Corazon house build in Mexico.*

### UPCOMING WORK DAYS IN THE SCULPTURE PARK

April 15th and April 22nd will be a clean up days in the park and along the street landscaping. The new irrigation drip system may be in by then, but we'll rake, prune and generally clean up so bring rakes, clippers, gloves and shovels, plus some water and sun screen. We'll start at 9am and work until around noon. Meet in Bicentennial Park (Sculpture Garden).

The next day is Saturday, May 6th, on a day of city-wide cleanup (more details to come).

I'll send more details as we get closer, but wanted to give you a heads-up, so you can put these dates in your calendar. I'll be buying plants on April 29th, so we can dig in and plant them on May 6th!

Community service is what Rotarians do and this is another opportunity to make our downtown a beautiful place we can all enjoy.

### the 4 way test

Of the things we think, say or do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

### HOW TO INTRODUCE YOUR GUESTS AND NEW MEMBERS AT A CLUB MEETING

When introducing a guest or new members during a Club meeting, the correct way is to greet the Club President, fellow Rotarians and guests, introduce yourself and state your classification, and then introduce your guest, their title and business affiliation. Please do not introduce any guest as a prospective new member or that they are looking for a position or clients.

### ATTENDANCE

Please make sure you turn in make-ups to Carl Fuetsch at a club meeting or by email: [info@renorotaryclub.org](mailto:info@renorotaryclub.org). Don't forget that you need to attend or make up at least 50% of club regular meetings in each half of the year (rolling six months) and attend at least 30% of this club's meetings in each half of the year. Credit can be received for Rotary committee work and other official Rotary functions.
