The Rotary Club of Reno meets at Harrah's Reno at Noon on Monday

Monday's Program

Club Speech Contest

Know your Foundations!

The Rotary Club of Reno is fortunate to have its own Foundation. However, sometimes it is confusing to differentiate the RRF (Reno Rotary Foundation) from the TRF (The Rotary Foundation). So, here is a quick explanation of what each is, what it does, and how it is funded.

The Reno Rotary Foundation (RRF)

Not all Rotary Clubs have foundations, but the Rotary Club of Reno established one in 1992 to provide the tax benefits of a 501(c)3 to members and other donors. Our Foundation is run by an 8 member Board of Trustees, elected by the club members. It is funded by each member's first bell-ringer of the year (\$100), plus \$5 of each member's birthday donation, plus the proceeds of the club's annual Mardi Gras event. The club can designate other fundraising events to add to the Foundation, and individual members can contribute gifts throughout the year (such as by successive bell-ringers). The RRF provides your charitable dollars (\$140,000 annually) for our club's many philanthropic activities: local projects, international projects, scholarships, youth programs, etc. When you contribute to the RRF, you earn Nevada Nugget pins for each \$1000 gifted. Originally these pins were only for gifts to the RRF endowment, but a new policy will award Nugget pins for all RRF gifts.

The Rotary Foundation (TRF)

The Rotary Foundation is the charitable arm of Rotary International. When you hear about Polio Plus or read about Rotary's projects across the globe, think TRF. The Rotary Foundation is funded by contributions from the 1.2 million Rotarians around the world. Each year our club sets goals for our donations to TRF, and the goals are met by our individual member's contributions and some club activities. Our club sends \$5 of each member's birthday donation to the TRF each year. We also encourage each member to give at least \$100 to TRF as a "sustaining member." You can designate your second (or consecutive)

bell-ringer for the TRF or give directly to Rotary International on-line. Our air-race parking project and holiday wreath sales also go to TRF, for Polio Plus. The Rotary Foundation returns 50% of Annual Fund gifts to our District, which funds District grants and projects (such as our Most Improved Student grant this year and our District Scholarship recipient). The TRF also matches our global grants, such as the nursing school in Bwindi and the orphanage in Panama. TRF also provides for our Peace Scholar, Aimal. When you contribute to the TRF, you earn Paul Harris Fellowship pins for each \$1000.

For more information on the Reno Rotary Foundation and The Rotary Foundation, contact club officers or RRF President Jim Pfrommer or Club TRF chairperson Anne-Louise Bennett. And thank you for your continued generosity to both!

George T. Ochs, Executive Director
Western Nevada Regional Science & Engineering Fair
1331 Davidson Way
Reno, NV 89509
Phone: (775) 771-9662
e-mail: ochs@charter.net
Website: www.nevadasciencefair.net

We want to THANK YOU and Reno Rotary Club for your continued support of the Western Nevada Regional Science and Engineering Fair. Reno Rotary Club is a community leader that knows the importance of science and education within our community and in helping us expand the horizons of our state's youth by positively impacting their education. The Western Nevada Regional Science & Engineering Fair was a HUGE success again this year!

This year approximately 200 Projects were exhibited at the fair representing 12 Nevada Counties, over 50 different public, private, charter and parochial elementary, middle and high schools representing students from Ely to Zephyr Cove, Gerlach to Minden and between. When we trace the impact of our regional fair, we find that over 10,000 students participated in local, school, & county fairs to reach our regional fair. The Western Nevada Regional Science & Engineering Fair is the Largest Science & Engineering Fair within the State. The Science Fair is an exciting experience for the students and teachers who participate. We see great hope for science in the years ahead by helping focus curious students who will not leave a mystery alone until they have solved it. We continually work with the teachers to help them improve the level of science thinking displayed at the fair, and we believe this event is an inspiration to the next generation of scientist, engineers and state leaders of tomorrow.

Please accept the enclosed Thank You Certificate as a small token of our appreciation.

Thank You!

Sincerely Yours,

George T. Ochs

Rotarian's at Work Day Apr 23, 2016 at 8:00 AM - 1:00 PM

Lemelson Stem Academy
2001 Soaring Eagle Dr | Reno, NV 89512

Come be a part of this great morning of fun and fellowship to improve our community!
We will have a number of opportunities to participate at Lemelson Stem Academy.

- Organizing the Library- sorting books, re-shelving, preparing new books for use
- Building painting- a side of the building we started last year
- Cleaning and organizing staff rooms

Please sign up to join us. This is a great opportunity to bring spouses, kids, friends and perspective members for a day of community service.

Rotary provides all the supplies, and lunch! You just need to show up!! Any questions contact Sue Sadler ssadler@xtralis.com or call/text 862-432-8324.

About Rotary

Rotary brings together a global network of volunteer leaders dedicated to tackling the world's most pressing humanitarian challenges. Rotary connects 1.2 million members of more than 34,000 Rotary clubs in over 200 countries and geographical areas. Their work improves lives at both the local and international levels, from helping families in need in their own communities to working toward a polio-free world. Visit www.rotary.org and www.endpolio.org for more about Rotary and its efforts to eradicate polio.

*Blue Badges: **Greg Mosier** (left) and **Bud James** (center) receive their Blue Badges from President Curt. Congratulations!*

*New member **Ken Ching** (center) is inducted by President Curt (left) and his sponsor Carl Fuetsch. Welcome Ken!*

*New member **Mitch Harrigan** (center) is inducted by President Curt (right) and his sponsor Richard Moore. Welcome Mitch!*

How To Introduce Your Guests And New Members At A Club Meeting

When introducing a guest or new members during a Club meeting, the correct way is to greet the Club President, fellow Rotarians and guests, introduce yourself and state your classification, and then introduce your guest, their title and business affiliation. **Please do not introduce any guest as a prospective new member or that they are looking for a position or clients.**

Attendance And Make Up Reminder

Your attendance is important to both you as a member and to the Club in meeting attendance percentage requirements. Please make sure you turn in make-ups to our Club Secretary at a club meeting or by email. Don't forget that you need to attend or make up at least 50% of club regular meetings in each half of the year (rolling six months) and attend at least 30% of this club's meetings in each half of the year. Credit can be received for Rotary committee work and other official Rotary functions. You can also do make ups on-line. A list of E-Clubs can be found at http://www.rotary.org/RIdocuments/en_pdf/eclub_list.pdf Just click on this link and it will lead you to others.

There are a variety of clubs listed, but all must offer at least 30 minutes of content for any makeup. For additional information, please check out <http://www.rotary.org/en/members/generalinformation/PilotClubsAnde-clubs/Pages/ridefault.aspx>

The Four-Way Test

Of the things we think, say or do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

Attendance

Please make sure you turn in make-ups to Carl Fuetsch at a club meeting or by email: info@renorotaryclub.org. Don't forget that you need to attend or make up at least 50% of club regular meetings in each half of the year (rolling six months) and attend at least 30% of this club's meetings in each half of the year. Credit can be received for Rotary committee work and other official Rotary functions.
