The Reno River Walk (Bicentennial Park) 1st and Ralston ~ 10 Ralston Street

Come be a part of this great morning of fun and fellowship to improve our community!

We will have a number of opportunities to participate in a Riverside Drive Park Clean-up work day!

- * Weeding existing planter beds west along the Riverwalk from Bicentennial Park.
- * Transplanting existing plants to better locations.
- * Bed cleanup including raking and unwanted plant removal.
- * Pruning existing plants.

Please sign up to join us. This is a great opportunity to make a difference in community improvement. Please be willing to get dirty and bring your rake, garden gloves and shovel for your use. Knowledge of basic plant identification is a bonus, we want to try and remove only those plants that are not wanted and create a better growing space for those that remain.

Make sure to bring plenty of water and we will provide lunch!

Rotary District 5190 Conference

From President Curt:

I truly hope you can all participate in the upcoming District Conference to be held on May 12-15, 2016 at the Atlantis. This is a wonderful opportunity to connect with Rotary on a broader scale, hear great speakers, and meet up with fellow Rotarians from across our vast District.

Please note that registration will be closed earlier this year and you can't sign up at the event or in the final days leading up. (This is important in helping the organizers setup the facility, provide final meal counts, etc.)

If at all possible, we ask that you register this week, so our club can show well in early response category. You can sign up on the district website: www.rotarydistrict5190.org/, or to help make it easier, here is the direct link for your registration:

<https://www.regonline.com/builder/site/Default.aspx?EventID=1767919>

Thanks everyone, hope to see you at the conference!

-President Curt.
