Rotary District 5190 Conference

From President Curt:

I truly hope you can all participate in the upcoming District Conference to be held on May 12-15, 2016 at the Atlantis. This is a wonderful opportunity to connect with Rotary on a broader scale, hear great speakers, and meet up with fellow Rotarians from across our vast District.

Please note that registration will be closed earlier this year and you can't sign up at the event or in the final days leading up. (This is important in helping the organizers setup the facility, provide final meal counts, etc.)

If at all possible, we ask that you register this week, so our club can show well in early response category. You can sign up on the district website: www.rotarydistrict5190.org/, or to help make it easier, here is the direct link for your registration:

<https://www.regonline.com/builder/site/Default.aspx?EventID=1767919>

Thanks everyone, hope to see you at the conference!

-President Curt.

If you haven't already been awarded your 300 free recognition points towards a Paul Harris Fellowship this Rotary Year, act now to take advantage of the club's new recognition point policy. You can earn your second or third or higher PHF for a cumulative gift of just \$700. The club will award you 300 Rotary Recognition Points to make up the \$1000 required for a PHF.

That means if you currently have \$400 or \$500 contributed towards a PHF, you can earn that gem-studded pin for an additional gift of just \$300 or \$200. Your total contribution would then equal \$700, and the club will donate 300 Recognition Points to make up the \$1000 needed for your next PHF.

If you're unsure how close you are to your next PHF, check your donor history online at www.rotary.org or ask TRF committee chair Anne-Louise Bennett or club secretary Carl Fuetsch.

Our Rotary year is almost finished, so it's a great time to "ring the bell" at

a club meeting! You can designate your gift to the Rotary Annual Projects Fund, Polio Plus, or for a particular Global Grant project. If you don't want to make your pledge during a club meeting, you can donate directly online or by giving a check to our club secretary, treasurer, or TRF chair.

Contact Carl, Anne-Louise, or a club officer to take advantage of this great way to leverage your gifts to The Rotary Foundation. Your contribution will help fund Rotary projects across the globe, plus 50% of all you donate comes back to our District to augment District Grants, scholarships, and local project grants.

New members: remember you can earn your first Paul Harris pin with a contribution of just \$400. The club awarded you 100 Recognition Points when you joined, and as soon as your cumulative gifts reach \$400, the club will give you another 500 points, making up the \$1000 needed for your first PHF.

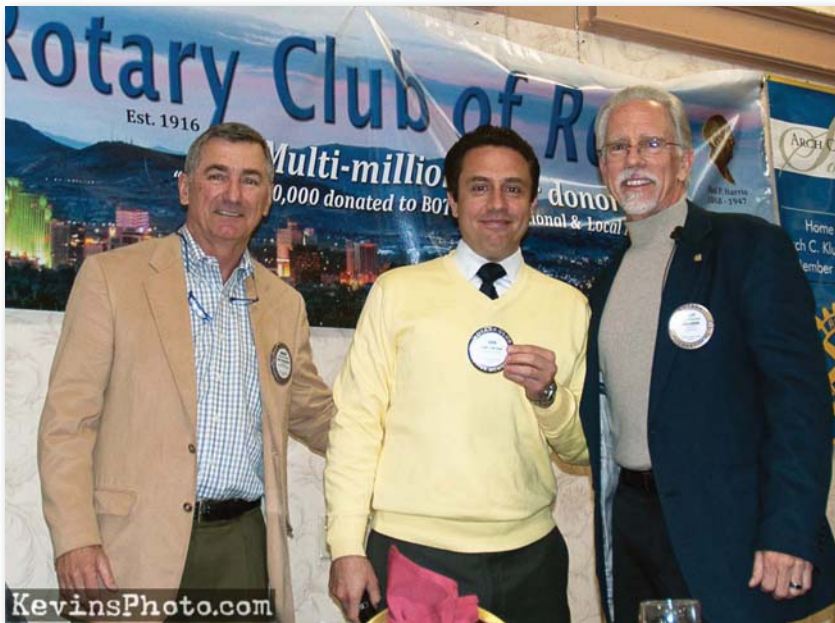

We're proud to be Rotarians, doing good in the world.

Rotary District Conference - Hosting Youth

We have organized the Youth Track for District Conference (May 13, 14, 15) and are now requesting host families for the Youth (Interact, RYLA, Scouts, RYE). This year we anticipate a larger turnout than previous as we have received donations that allow us to keep the registration cost to \$60/youth. We can further keep the cost for the youth down by supplying host families. For Interact, RYLA and Scouts, we are looking for homes that can house 4-6 youth in beds, sofas or air mattresses (the youth will bring sleeping bags). For RYE, we are looking for two homes which can handle either 8 boys or 13 girls. The responsibilities of the host families are:

- 1) A place to sleep the evenings of May 13 and 14
- 2) Breakfast the mornings of May 14 and 15
- 3) Rides to and from the conference - Evening of May 13, Morning of May 14, evening of May 14 and morning of May 15. Details will be supplied closer to the conference. (Transportation for RYE will be handled separately.)

The Youth Track Planning Committee much appreciates your considering being a host family. If you have any questions, please contact me at whboon@sbcglobal.net or 636-0384.

Bill Boon, District Youth Service Chair

How To Introduce Your Guests And New Members At A Club Meeting

When introducing a guest or new members during a Club meeting, the correct way is to greet the Club President, fellow Rotarians and guests, introduce yourself and state your classification, and then introduce your guest, their title and business affiliation. **Please do not introduce any guest as a prospective new member or that they are looking for a position or clients.**

Attendance And Make Up Reminder

Your attendance is important to both you as a member and to the Club in meeting attendance percentage requirements. Please make sure you turn in make-ups to our Club Secretary at a club meeting or by email. Don't forget that you need to attend or make up at least 50% of club regular meetings in each half of the year (rolling six months) and attend at least 30% of this club's meetings in each half of the year. Credit can be received for Rotary committee work and other official Rotary functions. You can also do make ups on-line. A list of E-Clubs can be found at http://www.rotary.org/RIdocuments/en_pdf/eclub_list.pdf Just click on this link and it will lead you to others.

There are a variety of clubs listed, but all must offer at least 30 minutes of content for any makeup. For additional information, please check out <http://www.rotary.org/en/members/generalinformation/PilotClubsAnde-clubs/Pages/ridefault.aspx>
