The Rotary Club of Reno meets at Harrah's Reno at Noon on Monday

MONDAY'S PROGRAM

Rotary Sculpture Park & Meet Artists

*On-Site Meeting at the Park and Get Updated
About the Sculpture Garden*

Our club meeting on June 12th will be in our Sculpture Garden at Bicentennial Park in downtown Reno. Enjoy a beautiful City of Reno

park along the Truckee River. It's a good time to update our club on what has been happening at the Sculpture Garden since the dedication on November 1st. And, no better place to hold it than right in the Sculpture Garden! Come early and meet the artists who created the sculptures. They will be sharing stories. If you are not an art lover, then come and tour the gardens and see the improvements your club members have made during our Saturday work days.

11:30 – 12:15 - Come early, tour our Sculpture Garden at Bicentennial Park and our gardens on Riverside Drive. Meet the artists at their sculptures.

12:15 – 1:15 – Membership meeting with updates on the gardens and Sculpture Garden. Artists will tell the stories of their sculptures. Box lunches will be served.

Lunch: Boxed lunches, your Rotary account will be charged \$20.

Location: Bicentennial Park at First and Ralston Streets (the Lear Theater is next to the Park)

RSVP: We will need you to RSVP for this meeting, in order to have a boxed lunch for you. See Club Runner emails that we will send out several times.

Parking: For those who cannot get around well, the diagonal parking along First Street will be reserved. There's plenty of on-street parking for the rest of us, and there are no meters just a block away.

Details: We will have boxed lunches, tables and chairs to sit at.

Area is very shady, but you might bring a hat if you burn easily.

MEMBER PROFILE

Bryce Griffith

Bryce became interested in the healthcare industry when he observed many problems with the healthcare system in Nevada, including rapidly increasing prices. Bryce worked for the State Health Officer as well as the Washoe County Health Officer. He served in administrative and management roles, and performed management analytics and program development. He was instrumental in setting up and getting the funding for the NV Women's & Infant's Food Nutrition Program (WIC) statewide. He was later hired by the UN Medical School where he was director of the Community Health Center that served the general population and the Med. School Residency training program. Here he not only served as administrator of this clinic but was responsible for grant writing to fund the center.

In 1999, Bryce started the company, Preferred Healthcare Network, and sold it to Saint Mary's Healthcare ten years ago. PHCN was the largest preferred provider company in NV. PHCN had a goal to provide the highest quality health care through our contract physicians, at a reduced cost while providing our client base with the option to choose their panel physician.

The biggest challenge Bryce faced in his career in healthcare was working with the medical and insurance industries. Because the insurance industry is oriented to maximizing profits, the organizational leaders are not concerned about holding costs down. Bryce's major career strength is developing good working relationships with people and building coalitions so individuals can work together effectively for the common good.

Bryce served in the Navy for 11 years and spent time in Vietnam and Cambodia with the Riverine Forces. He received an undergraduate degree in political science from the University of North Carolina in Chapel Hill, and a graduate degree in political science from the University of Nevada. Besides teaching political science classes, Bryce has been involved in political action campaigns.

During the summer, Bryce runs a community sailing program in conjunction with Tahoe City recreation department to teach children and

adults how to sail. He is currently working with the U.S. Sailing National Organization on the development of a youth leadership program, and will attend their next meeting in Florida in January 2018. Other hobbies include camping, sail boat racing and snow skiing at Squaw Valley and Alpine Meadows. Bryce has one son, Ben, who has developed his own software management company in Reno. Ben is getting married in July 2017.

Bryce with Tahoe Junior Sail team after having received the Condon Award from The Pacific Inter Yacht Club Association for outstanding service to Youth Sailing.

LAST MEETING PICTURES

David Morgan is awarded the Rotary Club of Reno Member of the Month by President Craig Wesner for his outstanding work as Chair of the Rotary Foundation Committee.

CELEBRATION OF LIFE

Don & Sally Kintner

Don was a long time member of the Reno Rotary Club downtown and passed away in 2013. Sally passed away last weekend. There will be a celebration of life memorial on **June 21, 2017 at 10:00 at St. John's Presbyterian Church**, 1070 West Plumb lane.

the 4 way test

Of the things we think, say or do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

HOW TO INTRODUCE YOUR GUESTS AND NEW MEMBERS AT A CLUB MEETING

When introducing a guest or new members during a Club meeting, the correct way is to greet the Club President, fellow Rotarians and guests, introduce yourself and state your classification, and then introduce your guest, their title and business affiliation. Please do not introduce any guest as a prospective new member or that they are looking for a position or clients.

ATTENDANCE

Please make sure you turn in make-ups to Carl Fuetsch at a club meeting or by email: info@renorotaryclub.org. Don't forget that you need to attend or make up at least 50% of club regular meetings in each half of the year (rolling six months) and attend at least 30% of this club's meetings in each half of the year. Credit can be received for Rotary committee work and other official Rotary functions.
