The Rotary Club of Reno meets at Harrah's Reno at Noon on Monday

MONDAY'S PROGRAM

DRI President Kristen Averyt

Kristen Averyt, PhD serves as the eighth President of the Desert Research Institute – a recognized world leader in investigating the effects of natural and human-induced environmental change and advancing technologies aimed at assessing a changing planet. An active member of the international science community and an accomplished environmental scientist, Dr. Averyt comes to DRI from the University of Colorado, Boulder where she served as the Associate Director for Science for the Cooperative Institute for Research in Environmental Sciences (CIRES), which is a joint institute between NOAA and the university.

Dr. Averyt completed her undergraduate degrees in marine science and chemistry at the University of Miami. She was awarded a Fulbright Fellowship for study in New Zealand, so subsequent to graduation, she moved to the University of Otago. There, she studied the inorganic chemistry of New Zealand freshwater lakes, earning a Master of Science (with distinction) in chemistry in 1999. Upon returning to the U.S. in 2000, Dr. Averyt began graduate school in the Geological and Environmental Sciences Department at Stanford University. Inspired by her experience in New Zealand, she focused her research on understanding the interplay between climate and ocean chemistry. She developed a novel geochemical proxy and used it to reconstruct ocean chemistry during significant climatic events over the last 120 million years.

Throughout her career, Dr. Averyt has received several awards and honors and she is very active in the science community on numerous boards and committees. She was a lead author on the Third U.S. National Climate Assessment, and was recently named a lead author for the coming Fourth Assessment. She is a non-resident Senior Policy Fellow of the American Meteorological Society, and engages regularly with stakeholders interested in bringing science to bear on societal issues from the local to national to international scales.

SAVE THE DATE: PRESIDENT BILL'S DEMOTION PARTY IS JUNE 19TH

Mark your calendars for President Bill's Demotion Party to be held Tuesday, June 19th, 5:30 p.m. at The Coney Island Bar. It promises to be a fun evening honoring Bill for his service, and perhaps, poking fun at a few things, too! A family style dinner of bread, salad, roasted chicken, top sirloin steak, homemade mushroom ravioli with burnt butter sage sauce, penne with pesto sauce, bread pudding with caramels sauce and 2 glasses of wine will be served for \$35 per person, inclusive of tax and gratuity. A ClubRunner invite will be sent out in May. For questions, or to provide "material" for the demotion, please contact Liza Maupin at lizamaupin@gmail.com or at 775-721-8124.

WHAT IS ROTARY?

Rotary is a global network of 1.2 million neighbors, friends, leaders, and problem-solvers who come together to make positive, lasting change in communities at home and abroad.

Solving real problems takes real commitment and vision. For more than 110 years, Rotary members have used their passion, energy, and intelligence to take action on sustainable projects. From literacy and peace to water and health, we are always working to better our world, and we stay committed to the end.

Our motto: Service Above Self

For more than 110 years, our guiding principles have been the foundation of our values: service, fellowship, diversity, integrity, and leadership.

What we do

Rotary members believe that we have a shared responsibility to take action on our world's most persistent issues. Our 35,000+ clubs work together to:

Promote peace

Fight disease

Provide clean water, sanitation, and hygiene

Save mothers and children

Support education

Grow local economies

the 4 way test

Of the things we think, say or do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

HOW TO INTRODUCE YOUR GUESTS AND NEW MEMBERS AT A CLUB MEETING

When introducing a guest or new members during a Club meeting, the correct way is to greet the Club President, fellow Rotarians and guests, introduce yourself and state your classification, and then introduce your guest, their title and business affiliation. Please do not introduce any guest as a prospective new member or that they are looking for a position or clients.

ATTENDANCE

Please make sure you turn in make-ups to Carl Fuetsch at a club meeting or by email: info@renorotaryclub.org. Don't forget that you need to attend or make up at least 50% of club regular meetings in each half of the year (rolling six months) and attend at least 30% of this club's meetings in each half of the year. Credit can be received for Rotary committee work and other official Rotary functions.
