The Rotary Club of Reno meets at Harrah's Reno at Noon on Monday

MONDAY'S PROGRAM

Mike Higdon

Reno 365 Photography Project

Hi, my name is Mike Higdon and I'm a Nevadan through and through. Born in Las Vegas and raised there for 18 years, I moved to Reno 14 years ago to study journalism and political science at the University of Nevada, Reno. For two years after graduation, I lived in Carson City and spent weekends around Lake Tahoe. Then, I moved to Midtown and now I live on Dickerson Road WAY before it'll be cool (before it was the cool thing to do #ThingsHipstersSay). A few years ago I created the blog Drinkable Reno, covering the business and politics of beer and spirits.

In my new role as the city life reporter, I cover urban life, gentrification, change and culture and continue my reporting on local booze news for the Reno Gazette Journal. It's my job to discover and share lifestyle and economic trends while translating city government and business news from wonk to normal people speak. And while I don't expect to give up navel gazing entirely, I investigate and report on the not-so-great parts of Reno that need real change and attention.

When I'm not working, I like to photograph people and places, light and objects that catch my eye. I prefer not to pose people because humans are more interesting without instruction. I've started collecting vintage cameras and developing my own film, which is a hobby that may or may not last.

Political Candidates Policy

Just a reminder, our club policy is not to give political candidates the microphone from the floor.

Pres Bill explains the Rotary 4-way test coin to our Guest speaker Dr. Kristen Averyt, the President of the Desert Research Institute (DRI) who provided us with an outstanding briefing on the operations of DRI and its impact on the city and state and nation.

WHAT IS ROTARY?

Rotary is a global network of 1.2 million neighbors, friends, leaders, and problem-solvers who come together to make positive, lasting change in communities at home and abroad.

Solving real problems takes real commitment and vision. For more than 110 years, Rotary members have used their passion, energy, and intelligence to take action on sustainable projects. From literacy and peace to water and health, we are always working to better our world, and we stay committed to the end.

Our motto: Service Above Self

For more than 110 years, our guiding principles have been the foundation of our values: service, fellowship, diversity, integrity, and leadership.

What we do

Rotary members believe that we have a shared responsibility to take action on our world's most persistent issues. Our 35,000+ clubs work together to:

Promote peace

Fight disease

Provide clean water, sanitation, and hygiene

Save mothers and children

Support education

Grow local economies

the **4** way test

Of the things we think, say or do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

HOW TO INTRODUCE YOUR GUESTS AND NEW MEMBERS AT A CLUB MEETING

When introducing a guest or new members during a Club meeting, the correct way is to greet the Club President, fellow Rotarians and guests, introduce yourself and state your classification, and then introduce your guest, their title and business affiliation. Please do not introduce any guest as a prospective new member or that they are looking for a position or clients.

ATTENDANCE

Please make sure you turn in make-ups to Carl Fuetsch at a club meeting or by email: info@renorotaryclub.org. Don't forget that you need to attend or make up at least 50% of club regular meetings in each half of the year (rolling six months) and attend at least 30% of this club's meetings in each half of the year. Credit can be received for Rotary committee work and other official Rotary functions.
