## MEMBER PROFILE

### Tom Young

After graduating from UNR with a degree in Civil Engineering, Tom started working for Lumos Inc. where he has worked for 23 years. He began his career with Lumos in the Carson City office, and transferred to the Reno office five years ago. Tom specializes in hydrology, public works, and private development projects. Recently, Tom has been working on Stonegate, a residential development project that will include 4,800 new homes in Cold Springs. The planning process for Stonegate began in early 2016, and the first planning commission presentation takes place this month.

Tom's biggest challenge is balancing life, work, family, and community service. He says he is attempting to reduce this challenge by completing some assignments. Tom's greatest strength is problem solving since he does this every day for his clients. He is recognized as a good mentor to junior staff members at Lumos.

Tom is co-chair of Reno Sparks Chamber of Commerce Leadership Program for professional development. He completed the program in 2012, and joined the executive council of the program in 2014. Last year, Tom led the workshop teams for the program.

Tom serves on the parish council for St. Teresa of Avila in Carson City. In this role, he gives advice to the priest and monitors church activities and expenses. Tom is actively involved in the special events sponsored by the church.

Tom also serves as a board member for the Eagle Valley Children's Home. This is a home in Carson City for severely disabled children. Many of the residents stay in the home their entire lives. The home has 17 residents ranging from five years of age to 50.

For 23 years, Tom has been married to Laura, a Hospice Nurse for Renown. Tom has a

pilot's license, and he likes tinkering with motors and fixing things. He enjoys bicycling on both dirt bikes and road bikes. He is also an avid hiker and enjoys backpacking with his family.

## the **4** way test

Of the things we think, say or do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

## HOW TO INTRODUCE YOUR GUESTS AND NEW MEMBERS AT A CLUB MEETING

When introducing a guest or new members during a Club meeting, the correct way is to greet the Club President, fellow Rotarians and guests, introduce yourself and state your classification, and then introduce your guest, their title and business affiliation. Please do not introduce any guest as a prospective new member or that they are looking for a position or clients.

## ATTENDANCE

Please make sure you turn in make-ups to Carl Fuetsch at a club meeting or by email: [info@renorotaryclub.org](mailto:info@renorotaryclub.org). Don't forget that you need to attend or make up at least 50% of club regular meetings in each half of the year (rolling six months) and attend at least 30% of this club's meetings in each half of the year. Credit can be received for Rotary committee work and other official Rotary functions.
