MEMBER PROFILE

Art Rangel

Art Rangel has spent his career working in the areas of city planning, economic development and redevelopment at the municipal level. He became a Certified City

Planner in 1982. From 1986 to 1990, Art served as City Planner for the City of Baldwin Park, California, and from 1990 to 1998 he served as Director of Community and Economic Development for the City of Downey, California. Art was City Manager of Town of Loomis, California from 1998 to 2000. Art is currently fulfilling his career goal of working as a municipal consultant specializing in Economic Development, City Planning and Redevelopment.

Art demands a lot from himself and the individuals working around him. As a result, his biggest career challenge is dealing with staff that is not motivated to do what is best for the organization. He feels that his biggest weakness is working with people that are not motivated. Art's strongest skill is reading people and relating to their personality types.

Art is an avid cyclist and snow skier. He is married to Penny, and this July they celebrated their 40th anniversary. Over the past few years, Art has been busy assisting Penny in conveying her business in Southern California to their niece.

LAST MEETING PICTURES

At his first meeting President Bill Boon inaugurated a new weekly presentation to keep Club members up to date on what we, as a club are doing daily. This meeting **Kim Mazeres** gave the Club an excellent rundown on some of our Youth Programs and their successes.

Rear Admiral Gregory Harris, Commander of the Navy's Strike Warfare Center at Fallon Naval Air Station gave a very frank talk about the status of our aging Navy Aircraft fleet and about how the lack of funding impacted readiness and retention of military members.

ROTARY DAY AT THE ACES

Put Sunday, August 20th on your calendar to come out to the ballpark for Rotary's Day at the Aces!

The Reno Aces will be playing the Fresno Grizzlies at 1:05 PM that day, and it's dollar days at the park with hot dogs, soft drinks, peanuts, and chips each for \$1.

But the biggest benefit is that for every ticket sold, \$4 will go to Polio Plus. When matched by the Gates Foundation grant, that's \$12 towards fighting the last vestiges of polio on the planet.

Sign up on Rotary District 5190 website:

<http://www.rotarydistrict5190.org/>

Your tickets will be available at the park upon your arrival there. Look for our district representatives at a table in front of the entry area.

Of the things we think, say or do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?

4. Will it be BENEFICIAL to all concerned?

HOW TO INTRODUCE YOUR GUESTS AND NEW MEMBERS AT A CLUB MEETING

When introducing a guest or new members during a Club meeting, the correct way is to greet the Club President, fellow Rotarians and guests, introduce yourself and state your classification, and then introduce your guest, their title and business affiliation. Please do not introduce any guest as a prospective new member or that they are looking for a position or clients.

ATTENDANCE

Please make sure you turn in make-ups to Carl Fuetsch at a club meeting or by email: info@renorotaryclub.org. Don't forget that you need to attend or make up at least 50% of club regular meetings in each half of the year (rolling six months) and attend at least 30% of this club's meetings in each half of the year. Credit can be received for Rotary committee work and other official Rotary functions.
