BE THE INSPIRATION

The Wave is a force of Nature: Rotary is a Force of Nature as is the wave making a change and changing our environment. The tip of the wave is a heart because Rotary has heart; the shape of the sail is for direction; Rotary is sailing in the right direction.

The colors represent the sun, the sand and the beach. We are a force of nature that has heart and is going in the right direction. It is all of you that will be taking us in the right direction. It is up to us to work together as Rotarians to create these lasting changes.

A little humor . . .

A Sunday school teacher was telling her class the story of the Good Samaritan. She asked the class, 'If you saw a person lying on the roadside, all wounded and bleeding, what would you do?' A thoughtful little girl broke the hushed silence, 'I think I'd throw up.'

What is Rotary?

Rotary is a global network of 1.2 million neighbors, friends, leaders, and problem-solvers who come together to make positive, lasting change in communities at home and abroad.

Solving real problems takes real commitment and vision. For more than 110 years, Rotary members have used their passion, energy, and intelligence to take action on sustainable projects. From literacy and peace to water and health, we are always working to better our world, and we stay committed to the end.

Our motto: Service Above Self

For more than 110 years, our guiding principles have been the foundation of our values: service, fellowship, diversity, integrity, and leadership.

What we do

Rotary members believe that we have a shared responsibility to take action on our world's most persistent issues. Our 35,000+ clubs work together to:

Promote peace

Fight disease

Provide clean water, sanitation, and hygiene

Save mothers and children

Support education

Grow local economies

the 4 way test

Of the things we think, say or do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

How To Introduce Your Guests And New Members At A Club Meeting

When introducing a guest or new members during a Club meeting, the correct way is to greet the Club President, fellow Rotarians and guests, introduce yourself and state your classification, and then introduce your guest, their title and business affiliation. Please do not introduce any guest as a prospective new member or that they are looking for a position or clients.

Attendance

Please make sure you turn in make-ups to Carl Fuetsch at a club meeting or by email: info@renorotaryclub.org. Don't forget that you need to attend or make up at least 50% of club regular meetings in each half of the year (rolling six months) and attend at least 30% of this club's meetings in each half of the year. Credit can be received for Rotary committee work and other official Rotary functions.
