Rotary History

For more than 110 years, Rotary members have been addressing challenges around the world.

Grassroots at the core, Rotary links 1.2 million members to form an organization of international scope. It started with the vision of one man — Paul Harris. The Chicago attorney formed the Rotary Club of Chicago on February 23, 1905, so professionals with diverse backgrounds could exchange ideas, form meaningful, lifelong friendships, and give back to their communities.

Rotary's name came from the group's early practice of rotating meetings among the offices of its members.

Our ongoing commitment

Rotary members have not only been present for major events in history — we've also been a part of them. Three key traits have remained strong throughout our history:

We're truly international. Only 16 years after being founded, Rotary had clubs on six continents. Today, members in nearly every country work to solve some of our world's most challenging problems.

We persevere in tough times. During World War II, Rotary clubs in Austria, Germany, Italy, Japan, and Spain were forced to disband. Despite the risks, many continued to meet informally, and after the war, Rotary members came together to rebuild their clubs and their countries.

We're committed to service, and we're not afraid to dream big and set bold goals. We began our fight against polio in 1979 with a project to immunize 6 million children in the Philippines. Today, polio remains endemic in only three countries — down from 125 in 1988.

A little humor . . .

A Sunday school teacher asked, 'Johnny, do you think Noah did a lot of fishing when he was on the Ark ? 'No,' replied Johnny. 'How could he, with just two worms.'

What is Rotary?

Rotary is a global network of 1.2 million neighbors, friends, leaders, and problem-solvers who come together to make positive, lasting change in communities at home and abroad.

Solving real problems takes real commitment and vision. For more than 110 years, Rotary members have used their passion, energy, and intelligence to take action on sustainable projects. From literacy and peace to water and health, we are always working to better our world, and we stay committed to the end.

Our motto: Service Above Self

For more than 110 years, our guiding principles have been the foundation of our values: service, fellowship, diversity, integrity, and leadership.

What we do

Rotary members believe that we have a shared responsibility to take action on our world's most persistent issues. Our 35,000+ clubs work together to:

Promote peace

Fight disease

Provide clean water, sanitation, and hygiene

Save mothers and children

Support education

Grow local economies

the 4 way test

Of the things we think, say or do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

How To Introduce Your Guests And New Members At A Club Meeting

When introducing a guest or new members during a Club meeting, the correct way is to greet the Club President, fellow Rotarians and guests, introduce yourself and state your classification, and then introduce your guest, their title and business affiliation. Please do not introduce any guest as a prospective new member or that they are looking for a position or clients.

Attendance

Please make sure you turn in make-ups to Carl Fuetsch at a club meeting or by email: info@renorotaryclub.org. Don't forget that you need to attend or make up at least 50% of club regular meetings in each half of the year (rolling six months) and attend at least 30% of this club's meetings in each half of the year. Credit can be received for Rotary committee work and other official Rotary functions.
