The Rotary Club of Reno meets at Harrah's Reno at Noon on Monday

MONDAY'S PROGRAM

Doug Knuth

Athletic Director, University of Nevada Sports

In early 2013, University President Marc Johnson selected Doug Knuth following a national search that featured a pool of talented, diverse candidates. The Nevada System of Higher Education Board of Regents and the regents approved his recommendation on March 14, 2013 and Knuth received a three-year extension, with unanimous approval from the Regents, on March 4, 2016. The 2016-17 season marks the fourth year as athletics director at Nevada for Doug Knuth. In three seasons at Nevada, Knuth has overseen significant growth in the department's academic successes, investment in facilities and resources and has balanced the department's budget while producing the school's first men's and women's conference championships as a member of the Mountain West Conference.

The department cuts the ribbon this year on an impressive \$11.5 million renovation to 50-year-old Mackay Stadium. The initial

piece of the project was completed in 2015 and the major phase is in place for the 2016 season -- a new stadium club, loge seating and the addition of chair back seating in seven sections to increase the fan game day experience. The work also saw new ADA accessible seating areas and the widening of aisles with the installation of handrails to increase safety at the stadium.

The Pack also saw new facilities come on board for the tennis and track programs, with six new on-campus tennis courts and a new throws facility developed on the eastern edge of campus, next to Hixson Park. A sparkling new silver and blue track now circles Chris Ault Field at Mackay Stadium. The projects came on the heels of new FieldTurf installation at Wolf Pack Park, locker room upgrades for women's soccer, track and field, cross country, football and both basketball programs, as well as an enhanced indoor golf training center. Future planned projects include new basketball practice facilities, Peccole Park upgrades, and an indoor turf practice facility, among others.

Nevada's student-athletes continue to thrive and grow and there's no greater evidence than the results in the classroom. During University Commencement ceremonies in December and May, a record total of 99 Wolf Pack student athletes earned undergraduate degrees from Nevada. The Wolf Pack continues to excel in the NCAA's Academic Progress Report and the athletics department's overall Graduation Success Rate (as determined by the NCAA) is at 79 percent.

Knuth earned his bachelor's degree in business administration at the University of Connecticut in 1994 where he was also a four-year letter winner and captain on the men's tennis team. He holds master's degrees in sports administration and facility management from Ohio University (1998) and business administration from Northwood University (2002).

the 4 way test

Of the things we think, say or do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

HOW TO INTRODUCE YOUR GUESTS AND NEW MEMBERS AT A CLUB MEETING

When introducing a guest or new members during a Club meeting, the correct way is to greet the Club President, fellow Rotarians and guests, introduce yourself and state your classification, and then introduce your guest, their title and business affiliation. Please do not introduce any guest as a prospective new member or that they are looking for a position or clients.

ATTENDANCE

Please make sure you turn in make-ups to Carl Fuetsch at a club meeting or by email: info@renoraryclub.org. Don't forget that you need to attend or make up at least 50% of club regular meetings in each half of the year (rolling six months) and attend at least 30% of this club's meetings in each half of the year. Credit can be received for Rotary committee work and other official Rotary functions.
