The Rotary Club of Reno meets at the Eldorado Resort Casino at Noon on Monday

Monday's Program

Emily Jaenson

New Reno Aces G.M.

Emily Jaenson grew up in northern Illinois and attended the University of Illinois Urbana-Champaign graduating from the College of Media with a degree in Advertising. Jaenson cut her teeth in sports as an intern in the Chicago

Bulls ticket department where she sold season and group tickets during the 2005-2006 season. Eighty calls a day, hitting the phones, to fill the United Center on game day truly taught her that the fans are the life blood of any sports organization.

Leaving the Bulls, Jaenson took the non-profit route, planning galas, selling sponsorships, and launching fundraising programs for Muscular Dystrophy Association Chicago and then Big Brothers Big Sisters of Northern Nevada. In 2013 the Reno Aces came calling where Jaenson grew from sponsorship account executive to Vice President in two years.

In 2016 Jaenson left Reno with her family for Houston where she had a chance to volunteer for Super Bowl 51, work as Sales Director on the World Corporate Games Houston and the inaugural Houston Sports

Awards Show (Houston’s “ESPYS”), and work for Houston Methodist, the number one hospital in Texas, to manage business development through their sports partnerships.

Jaenson returned to Reno on May 1, 2018 to accept the position as General Manager of the Reno Aces. Jaenson is currently the only female GM in Triple-A baseball and the first in almost two decades. Jaenson’s role as GM is to lead day to day business operations for baseball, oversee the baseball event experience, lead baseball operations with MiLB, PCL, and liaise with the Clubhouse, and ensure year round brand relevance of the Aces brand in Northern Nevada.

Jaenson is married to Shawn Jaenson, a Navy veteran, and has two young sons, Magnus and Anders.

BE THE INSPIRATION

The Wave is a force of Nature: Rotary is a Force of Nature as is the wave making a change and changing our environment. The tip of the wave is a heart because Rotary has heart; the shape of the sail is for direction; Rotary is sailing in the right direction.

The colors represent the sun, the sand and the beach. We are a force of nature that has heart and is going in the right direction. It is all of you that will be taking us in the right direction. It is up to us to work together as Rotarians to create these lasting changes.

Introducing - the Marathon of Service Free Lunch Award

Starting September 1 (yes, you may already have a head start,) after you (and/or your spouse/partner) give 26.2 hours of service in a Rotary project OUTSIDE of your routine Rotary responsibilities, you get a free meeting lunch (\$25 value!) This is for serving BEFORE OR OUTSIDE meetings -- at the Food Bank or Air Races or sculpture garden or Lemelson or... you get the point. Our club offers so many ways to serve. Jump in!

Attending committee meetings or giving the invocation or pledge or being sergeant at arms during a meeting don't count. It has to be service BEFORE OR OUTSIDE regular meetings or duties to count. (Although we appreciate all service!) We had to set it up like this; otherwise, our club leaders would probably earn a free lunch every month!

Kurt Mische has volunteered to be the Promoter of this program but recording keeping is up to you. Just follow the 4-way test. When you get to 26.2 hours, email an itemized list to Carl Fuetsch, Club Secretary, and he'll send you a certificate that you can turn in for a free lunch.

So, the next time you come a half-hour early as volunteer for Greeter/Scanner, that's .5 hours toward your free lunch. (hint, hint.)

Questions? Contact me or Kurt Mische: kurtm@knpb.org.

A little humor . . .

A Sunday school teacher said to her children, 'We have been learning how powerful kings and queens were in Bible times. But, there is a Higher Power. Can anybody tell me what it is? One child blurted out, 'Aces!'

How To Introduce Your Guests And New Members At A Club Meeting

When introducing a guest or new members during a Club meeting, the correct way is to greet the Club President, fellow Rotarians and guests, introduce yourself and state your classification, and then introduce your guest, their title and business affiliation. Please do not introduce any guest as a prospective new member or that they are looking for a position or clients.

Attendance

Please make sure you turn in make-ups to Carl Fuetsch at a club meeting or by email: info@renorotaryclub.org. Don't forget that you need to attend or make up at least 50% of club regular meetings in each half of the year (rolling six months) and attend at least 30% of this club's meetings in each half of the year. Credit can be received for Rotary committee work and other official Rotary functions.
