Meet Fellow Rotarian Stacy Asteriadis

Stacy Asteriadis is currently the Reno branch manager of City National Bank. Stacy is a relationship banker and always appreciates the opportunity to meet

with local business owners to learn more about their companies and is always available to discuss an individual's personal financial goals. Stacy's financial career spans back over 30 years beginning with Nevada Savings and Loan in Reno. Stacy's background includes retail banking, real estate and commercial lending, investor relations for a real estate investment trust, a principal in a securities broker dealer and family trust services.

Stacy has been married to Mark for nearly 30 years ...it has been a long time....and has two grown daughters. The oldest daughter just got hitched and works downtown at Hello Darling as a stylist. The younger daughter is a Staff Sergeant in the Air Force currently residing in Germany.

Stacy was born in Sacramento and after a brief stint in Mississippi, moved to Reno in the 7th grade and attended the brand-new Pine Middle School. Apparently, it was open learning in the 70's and there weren't any doors on the classrooms...very weird and noisy after going to school in Mississippi for a year. Anyway, she eventually graduated from Wooster High School, TMCC, and the University of Phoenix in Reno. Stacy holds a BS in Business Management. Stacy currently is a Certified Financial Trust Advisor, which will continue if she hunkers down and finishes her continuing education by December 31st! Additionally, Stacy has held

several past securities licenses...you know... all those Series followed by numbers.

Little known facts about Stacy...once won a boy's motocross race because the name Stacy (on the participation roster) was considered a boy's name at the time... as a teenager she worked at the Mapes Hotel until its closing day and Charlie Mapes (RIP) still owes her two week's pay with interest from 1982... received numerous police warnings and a ticket at age 17 for turning into the middle lane on Virginia Street while cruising downtown on Friday nights...at 21 moonlighted as a cocktail waitress and bartender after leaving the bank on Fridays, and at times, made more tip money in one night than the previous two weeks at the bank...the rest of the little known facts will remain known by little..., unless she runs for a political office.

On a recent trip to Hungary, Liza Maupin spotted this monument!

How To Introduce Your Guests And New Members At A Club Meeting

When introducing a guest or new members during a Club meeting, the correct way is to greet the Club President, fellow Rotarians and guests, introduce yourself and state your classification, and then introduce your guest, their title and business affiliation. Please do not introduce any guest as a prospective new member or that they are looking for a position or clients.

Attendance

Please make sure you turn in make-ups to Carl Fuetsch at a club meeting or by email: info@renorotaryclub.org. Don't forget that you need to attend or make up at least 50% of club regular meetings in each half of the year (rolling six months) and attend at least 30% of this club's meetings in each half of the year. Credit can be received for Rotary committee work and other official Rotary functions.
