The Rotary Club of Reno meets at Harrah's Reno at Noon on Monday

MONDAY'S PROGRAM

Tony Slonim CEO Renown

Renown Health Population Health Study

Dr. Anthony Slonim is an innovator and proven healthcare leader at both regional and national levels. His expertise spans across areas of patient safety, accountable care, healthcare quality, and innovative care delivery models, which focus on improving health in the community. As a tenured professor, he has authored more than 100 publications, 15 textbooks, and has received more than \$2 million in National Institutes of Health funding.

Since joining Renown Health in July 2014, Dr. Slonim has completely reoriented northern Nevada's largest locally governed, not-for-profit healthcare network, by focusing on overall community health and embracing the national triple aim initiatives. As an advocate of healthcare partnerships, Dr. Slonim has also initiated national collaborations to establish a medical training campus at Renown, expanded the region's quaternary care services in collaboration with Stanford Medicine, and launched the nation's first ever community-based, population health study with Desert Research Institute and personal genetics company 23andMe.

Dear Rotary Club,

The Washoe County School District Children in Transition (CIT) program would like to thank you for your support of children and families who are experiencing homelessness in Washoe County. Your grant of \$9,000 will help provide children experiencing homelessness with opportunities to have stability, security, and a safe place to learn throughout all of our Washoe County School District schools.

It is with kind donations such as yours that we are able to make a difference in our student's lives. Please know that we are so grateful to have received this grant to support tutoring, transportation, and clothing for our CIT students.

On behalf of the children and families that we serve, thank you for helping fund our program.

Sincerely,

Katie Morales
CIT Program Coordinator

Tori Vohland
CIT Homeless Liaison

WHAT IS ROTARY?

Rotary is a global network of 1.2 million neighbors, friends, leaders, and problem-solvers who come together to make positive, lasting change in communities at home and abroad.

Solving real problems takes real commitment and vision. For more than 110 years, Rotary members have used their passion, energy, and intelligence to take action on sustainable projects. From literacy and peace to water and health, we are always working to better our world, and we stay committed to the end.

Our motto: Service Above Self

For more than 110 years, our guiding principles have been the foundation of our values: service, fellowship, diversity, integrity, and leadership.

What we do

Rotary members believe that we have a shared responsibility to take action on our world's most persistent issues. Our 35,000+ clubs work together to:

Promote peace

Fight disease

Provide clean water, sanitation, and hygiene

Save mothers and children

Support education

Grow local economies

the **4** way test

Of the things we think, say or do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

HOW TO INTRODUCE YOUR GUESTS AND NEW MEMBERS AT A CLUB MEETING

When introducing a guest or new members during a Club meeting, the correct way is to greet the Club President, fellow Rotarians and guests, introduce yourself and state your classification, and then introduce your guest, their title and business affiliation. Please do not introduce any guest as a prospective new member or that they are looking for a position or clients.

ATTENDANCE

Please make sure you turn in make-ups to Carl Fuetsch at a club meeting or by email: info@renorotaryclub.org. Don't forget that you need to attend or make up at least 50% of club regular meetings in each half of the year (rolling six months) and attend at least 30% of this club's meetings in each half of the year. Credit can be received for Rotary committee work and other official Rotary functions.
