

District 5190 “Making a Difference” Newsletter

This month we hold one of the biggest events in the continuum of learning and preparation of the Rotary year, the Club Leadership Assembly on April 7th at the Nugget Hotel in Sparks.

Starting in February with Pre-PETS and continuing in March with the President-Elect Training Seminar (PETS), we’ve focused on preparing presidents-elect for their year of club leadership.

Training and learning continue in April with the Club Leadership Assembly (CLA), when next year’s presidents bring their leadership team and club members for a day of preparation, information and inspiration. Attendees will learn about the changes Rotary is making in membership and meeting plans, learn about ways to manage and improve their club operations, and meet Rotarians from throughout the district. Every district in Rotary is expected to hold an Assembly to help club leaders learn more about their role.

In May, we will celebrate our 2017-18 year at the District Conference. This, too, is a training opportunity. Part 3 of the Rotary Leadership Institute, Facilitator Training, Grants Management Training, and breakouts in topics pertinent not only to Rotary but to business and personal life will be featured.

Coming full circle, the Avenues of Service seminar will be held in September, with the objective of presenting, sharing and discussing take-away inspirational ideas that clubs can adopt and use in all areas of community, international, vocational, youth and club service.

Our Training Continuum also includes Rotary Leadership Institute (RLI) and Rotary Academy. RLI is a three-part facilitated training that contains Rotary information and leadership ideas that gives participants a broad-range of information and ideas, while the Academy is a self-study program to learn more about Rotary in-depth.

Our district is fortunate to have outstanding leaders and committee members dedicated to sharing their knowledge and expertise to help Rotarians grow in knowledge and leadership. We encourage you to participate!

This is why Club Leadership Assembly is important for you:

New to Rotary: Assembly is a day to learn more about the “bigger” picture of Rotary, meet Rotarians from across District 5190, and explore opportunities within and beyond your Club.

PEs, Committee Chairs and Board Members: Assembly is a great way to jump start the new Rotary year by developing new skills and insights especially about your role or committee, exchanging creative ideas to revitalize your Club and make a difference, and strategizing as a team in a setting that is looking ahead to the coming year.

For all Rotarians: A fun, focused way to meet, reconnect, and make a difference!

There are a number of items that make Rotary Youth Exchange (RYE) unique compared to other high school exchange programs. A few of these are the low cost for a student to participate, the Rotary support that the students receive while on exchange, the monthly stipend that the student receives while on exchange, and the preparation that the students and their parents are given before they leave on exchange.

Another unique feature of RYE is the regional RYE organizations that provide networking and best practices for their members. The Northern American Youth Exchange Network (NAYEN) is comprised of all RYE programs in Canada, Mexico and the United States. Similar organizations exist in other parts of the Rotary world.

The regional organizations have the resources to take on projects that a single RYE program could not do on their own. Those of you who are either club counselors or youth exchange officers, or host parents have complete several online training modules that cover youth protection and your responsibilities in your youth exchange area. These online trainings have been created and financed by NAYEN.

Once a year NAYEN holds an annual conference and District 5190 has attended 15 of the 19 NAYEN annual conferences. This year the conference was in mid-March and Bob Conner (Outbound Coordinator) and Jon Greene (Executive Secretary) attend the three day conference in Omaha, NE. While the conference is for NAYEN members, RYE officers from around the world attend, including Brazil, Argentina, Thailand, Japan, Germany, France, Spain, Denmark, and other countries.

At the NAYEN conference attendees discuss what works for them and what some of their problem areas are. The sessions cover many topics including inbound and outbound orientations, crisis management, early returns, how to help the students learn the language of their host country before the leave on exchange, travel and insurance issues, and social media.

The networking that takes place at the NAYEN conference is invaluable for helping us have a successful program. It is an opportunity for us to meet face to face with our exchange partners and discuss our mutual concerns. An example of the benefits of this networking was several years ago we had an outbound candidate who has Asperger syndrome. We had identified a hosting district for this student. At the NAYEN conference several of the members of the D5190 RYE Committee met with several of the youth exchange officers from the hosting district to discuss this exchange. By the time we returned from the conference, we were very confident that this student would have an excellent exchange, and we were not disappointed. .

Each year at the NAYEN Conference districts who meet specific standards and achievements are presented with an achievement award. Once again District 54190 RYE received an achievement award.

If your Rotary club is not participating in youth exchange, and you are interesting in bringing Rotary Youth Exchange to your community, a member of the District RYE committee is available to meet with you and your club officers. All you need to do is send an email to info@rye5190.org. **By Jon Greene**

The House of Friendship is an important part of the District 5190 Annual Conference that is being held at the **Atlantis in Reno on May 18-20, 2018.** This District event is a time to reflect on this Rotary year, and to celebrate our members and club's accomplishments.

You are invited...

Your club is invited to participate in the House of Friendship that will be open throughout the Conference as a showcase of clubs throughout the District, and the contributions to their community. This space is an opportunity to showcase your club's projects and accomplishments. **Our District is comprised of many different size clubs, and it is important for us to recognize community outreach activities from all clubs, of all sizes.** No matter how big---or small the project may be, the ideas presented are certain to stimulate thinking and creativity for attendees, and future projects.

Plan to participate...

The attached application will register your Club for the House of Friendship. Displays can be as simple as a foam board with photos or graphics. We hope you plan to attend, and participate in this activity. **Display tables for Clubs are 8' or half a table.** A suggestion for all displays is a handout for attendees that summarizes your project and provides a contact for more information. **Applications are due no later than April 12th.** (See attached)

And there is more...

Also, in the House of Friendship, the **Pinewood Derby races** will take place on Friday evening. There are **area baskets** that will be on display, and they will be raffled off on Sunday. In addition, **House of Friendship awards will be presented.** Other demonstrations and displays will include **youth activities, and scouting crafts.**

Conference Activities are many...

Activities during the conference are many, and will include golf, breakout sessions for training, awards, youth speech and music contests, fellowship, keynote speakers, the House of Friendship, and much more. **Check the District website for additional details.**

Questions...

If you have any questions, or need information, please contact Sharon Long by email at smlong55@hotmail.com, or call 209-304-5118. I look forward to seeing you at Camp Atlantis 2018.

2017-18 DISTRICT SCHOLARSHIP FINAL REPORT COMMENTS & PHOTOS

Student #1: Rotaract has been one of my favorite parts of college, thus far. I just returned from a spring break volunteer trip to Honduras. We volunteered with a group called Honduras Child Alliance in a rural town called El Porvenir. It was an amazing experience. My group helped construct a bathroom for a family who previously did not have any form of a bathroom, rebuilt a playground at the school, and added onto one of the Child Alliance's classrooms.

Student #2: This picture was taken in the first service project of the year. We went to the Three Peaks Recreation area and cleaned up trash around the campsites for two hours, then roasted hot dogs afterwards.

These two pictures were taken at the toy drive that local organizations put on. We organized many, many items so that families who could not otherwise afford Christmas gifts for their children got to come and pick out gifts for their children.

Amador Upcountry Launches Rotary Community Corps

Ever wondered how to create a closer bond between your Club and the non-Rotarian volunteers who participate in events and projects? Rotary Community Corps may be the answer.

District Governor Doug McDonald threw out a challenge to Presidents and Presidents-Elect during his mid-year visit to Area 7 (Amador County). DG Doug educated us on how Rotary Community Corps (RCC) allows Clubs to develop a sponsorship relationship with non-Rotarians. This seemed like an excellent opportunity for our small Club. All of our projects grow out of community needs and involve partnerships with multiple organizations and individuals.

We are known as “The Little Club That Does A Lot” but we can’t do it alone. Currently we are pursuing two Matching Grant projects. Each project has up to four partner organizations – that’s a lot of community leaders. Check out Rotary Community Corps and see if it might be a good fit for your Club.

News Flash!

Call for **SERGEANT AT ARMS VOLUNTEERS** 2018

Rotary is in need of good volunteers to aid the great Rotarians of District 5190---

Please volunteer to be a Sergeant-at-Arms for the District Club Leadership Assembly and District Conference. We'll work around anyone's schedule! The assigned duty could be as short as 2 hours or just one day, or all weekend long.

We like to say, “Try it, you'll like it!”

District Club Leadership Assembly is Saturday, April 7th

District Conference is May 18-20th

Please contact Don or Anita Daniels, and we can provide all the information a Rotarian would need.

Email: dondaniels@sbcglobal.net

Phone: 530-272-6036

All proceeds benefit the Rotary Foundation's Polio Plus Fund, The Rotary Club of Reno Centennial Sunset's Foundation, and Immunize Nevada

*Throughout the world, every time a Rotary volunteer administers a polio vaccine a child's pinkie is colored purple

A CHALLENGE TO ALL ROTARIANS IN OUR DISTRICT

The Rotary Club of Reno Centennial Sunset is holding its Polio Purple Pinkie Trail Run and Walk **May 5th** at Rancho San Rafael Park.

Early registration by **April 1st** will save you \$5.00. The registration fees are on the flyer. For any Rotary Club that has a group of five Rotarians signed up, RCS we'll put \$100.00 toward Polio Plus in your Club's name.

The event will also have awards, beer and food, yoga exercises, a D.J. and more. The proceeds go to Polio Plus, Immunize Nevada and the RCS Foundation.

To register on line and for more information go to

www.renopoliorun.com

You may contact Courtney Pino for more details at courtspino@gmail.com.

I hope you will participate, it will be a fun event, plus you may bring back bragging rights for winning in a category.

Thank you,

Carol Hannigan

Area 11 Rotarians Celebrate the Rotary Foundation in Elko

By Helen Hankins

(Pictured at left are: Pedro Ormaza &
Carl Vaughan)

Carl Vaughan captivated a crowd of more than 70 at the Elko Basque Club Saturday night as he spoke passionately about his life-long fight against polio. Afflicted with polio since the age of 3, Oregon Rotarian Carl Vaughan shared his story and told about his efforts to end polio worldwide.

Eradication of polio, a paralyzing disease primarily affecting children, has been the goal of Rotary International since the mid 1980's. As a result of their efforts and the efforts of others, today the virus exists in only two countries, Afghanistan and Pakistan. But until it is completely eradicated, it can be reintroduced in areas now free of the Polio virus - it is just a plane ride away.

During the evening, Basque dancers shared some of their culture and wonderfully executed the wine dance. Rotarians also participated in a silent auction, and a wine raffle. It is estimated that about \$8,000 was raised for the Rotary Foundation to help in the eradication of Polio and other humanitarian efforts. Contributions to the Foundation for polio eradication are matched 2:1 by the Bill and Melinda Gates Foundation.

For more information about Rotary and its humanitarian efforts please contact Jean Sloan at: 775-388-8822.

Clubs are reminded that completed Performance Planners are due to Recognition Chair Judy Clark by April 21 in order that clubs can be recognized for their achievements at the District Conference in May. Please do not hesitate to contact Judy prior to the deadline either via email. D5190Awards@gmail.com, text or cell, [775 247-6474](tel:7752476474), to answer all your questions. She is eager to help you share your accomplishments with your fellow Rotarians!

MAKING A DIFFERENCE BADGE OF MERIT

This month's *"Making a Difference*

Badge of Merit" goes to Club Leadership Assembly Chair Robin Milam of the Rotary Club of Nevada City. Robin has spent hours upon hours preparing for CLA! She has recruited presenters and facilitators, coached them through their presentations, organized and planned the day, taken care of the physical arrangements, and managed all the details to make the event a highlight event. Thanks, Robin, for your dedicated service! You are a true servant leader!

Thank you, Robin! WELL DONE!
