Martin Luther King, Jr., Day

Martin Luther King, Jr., Day (third Monday in January) honors the achievements of Martin Luther King, Jr. A Baptist minister who advocated the use of nonviolent means to end racial segregation, he first came to national prominence during a bus boycott by African Americans in Montgomery, Alabama, in 1955. He founded the Southern Christian Leadership Conference in 1957 and led the 1963 March on Washington. The most influential of African American civil rights leaders during the

1960s, he was instrumental in the passage of the Civil Rights Act of 1964, which outlawed discrimination in public accommodations, facilities, and employment, and the Voting Rights Act of 1965. King was awarded the Nobel Prize for Peace in 1964. He was assassinated on April 4, 1968.

Almost immediately after King's death, there were calls for a national holiday in his honour. Beginning in 1970, a number of states and cities made his birthday, January 15, a holiday. Although legislation for a federal holiday was introduced in Congress as early as 1968, there was sufficient opposition, on racial and political grounds, to block its passage. In 1983 legislation making the third Monday in January a federal holiday finally was passed, and the first observance nationwide was in 1986.

the 4 way test

Of the things we think, say or do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

Rotary started with the vision of one man — Paul Harris. The Chicago attorney formed the Rotary Club of Chicago on 23 February 1905, so professionals with diverse backgrounds could exchange ideas, form meaningful, lifelong friendships, and give back to their communities.
