A photograph showing three people silhouetted against a bright, hazy sunset sky. They are climbing a large, dark rock formation. One person is at the top, another is in the middle, and a third is at the bottom, reaching up. The scene is inspirational and motivational.

Rotary started with the vision of one man — Paul Harris. The Chicago attorney formed the Rotary Club of Chicago on 23 February 1905, so professionals with diverse backgrounds could exchange ideas, form meaningful, lifelong friendships, and give back to their communities.
