focus of serving youth from underserved communities. Prior to this, Eaton was a member of the leadership team for a healthcare IT startup incubated by McKesson Corporation, which grew to more than 300 employees over 5 years. Prior to McKesson, Eaton started two businesses in Kabul, Afghanistan, providing outsourced recruiting for companies (like Coca Cola Bottling and Serena Hotels) and government agencies (like the UN and US Military) to implement successful Afghan hiring programs.

Eaton is a USMC veteran and served as an Infantry Platoon Commander in Iraq in 2003. He earned an MBA at London Business School, BS in Biology from Stanford University, and was a researcher at the Brookings Institute. Eaton lives in Reno, NV with his wife Kate, and children, Pete and Alice. Eaton and Kate, lead the 6-7 year old program as volunteers at Sky Tavern, a nonprofit ski and snowboarding learning facility. As a family they are proud to have established a Donor Advised Fund with the Community Foundation supporting nonprofits creating experiential education opportunities for youth from historically marginalized communities.

Dear Rotary club of Reno, Nevada;

Thank you so much for allowing me to go to REGL. I appreciate you sponsoring me. I learned how to overcome my weaknesses and fears. I learned how to believe in myself and feel confident. I learned how to make my school a safer haven for kids who have a difficult home life. This weekend has helped me live a better life. I am going to treat myself with the kindness I treat others with. I am going to work to make people's lives at school better. Thank you so much for giving me this opportunity to grow and have a blast. I met so many amazing people.

Sincerely,
Oria Slocum

Mark Growdon gives the club an update on the Rotary Eighth Grade Leadership (REGL) program. Thank you Mark for all your hard work on this important program!

Rich Schreinert leads the club in reciting the 4-Way Test. Thank you Rich!

the 4 way test

Of the things we think, say or do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

Rotary started with the vision of one man — Paul Harris. The Chicago attorney formed the Rotary Club of Chicago on 23 February 1905, so professionals with diverse backgrounds could exchange ideas, form meaningful, lifelong friendships, and give back to their communities.
