The Rotary Club of Reno Meets at The National Automobile Museum

Monday's Program

Bill Isaeff

Election Forum

Bill Isaeff has lived in Reno since 1957 and is a graduate of Reno High School, the University of Nevada and the George Washington University Law School in Washington, DC. As a government attorney for 30 years, he served both at the state and local levels. He started his career as a law clerk to Judge Grant Bowen, before joining the Nevada Attorney General's Office, where he served for nearly 17 years including the last six when he was the

We are looking for volunteers and candy to support the National Automobile Museum's Halloween Carnival event on Monday, October 31st, from 3:00-7:00 pm. There will be games and activities and Trick-or-Treat stations. They anticipate up to 3,000 people. Please let me know if you are interested in volunteering at this very unique and fun Halloween event!

We also need candy!!! Please bring unopened bags of candy to our Monday meetings, we will have bins for you to drop them off.

Thank you all,
Karen Bickel

Bill Isaeff

Continued from Page 1

Chief Deputy Attorney General overseeing a staff of 75 lawyers and 50 staff.

Bill left the A.G.'s office to become the Chief Deputy City Attorney for Environmental Affairs in Reno and later Deputy City Manager for the City of Sparks. Bill is a retired environmental attorney. He spent the last 13 years of his career working for Reno and Sparks in the areas of water and wastewater law. Bill was a key player in the creation and approval of the Water Conservation Agreement of 1994 and the Water Quality Settlement Agreement of 1996.

In 2000 and 2001, Bill led a team of local government professionals and consultants in the purchase of the water supply business of Sierra Pacific Power Co. and the subsequent establishment of the Truckee Meadows Water Authority.

Following his retirement in November, 2001, for two years Bill was the producer and host of 23 educational television programs about northern Nevada water issues and their effect on people's everyday lives.

Currently, Bill is the chairman of the Griffin-Santini Memorial Endowment committee. This group raises funds to assist the UNR debate team in producing students and future leaders who excel in oral communication and logical thinking. Funds raised support scholarships, team travel and coaching. He also is the vice president of Great Basin Land and Water, a non-profit corporation which assists local governments and Native American tribes in purchasing Western lands and water rights.

Brian "BB" Melendez, President and CEO of Tribal Minds, was our speaker last Monday.

Pat Horgan gave his "180" talk at the last meeting. Thanks Pat for the very informative and interesting talk!

No challenge is too big for us

For more than a century, Rotarians have bridged cultures and connected continents. We champion peace, fight illiteracy and poverty, help people get access to clean water and sanitation, and fight disease. Our newest cause is to protect our planet and its resources.

World Polio Day: One Day. One Focus. Ending Polio.

Monday, October 24, 2022

Donate now at: endpolio.org

5 REASONS WHY WE MUST ERADICATE POLIO

1 YOUR GIFT WILL IMPROVE LIVES.

Today, 20 million people who would otherwise be paralyzed by polio are walking, and 1.5 million people who would otherwise have died are alive.

2 YOUR GIFT WILL INVEST IN THE FUTURE.

If all eradication efforts stopped today, within 10 years, polio could paralyze as many as 200,000 children each year. A polio-free world will be a healthier world for children everywhere.

3 YOUR GIFT WILL IMPROVE CHILD HEALTH.

Polio surveillance networks and vaccination campaigns also monitor children for other health problems, like vitamin deficiency and measles, so we can address them sooner.

4 YOUR GIFT WILL LOWER HEALTH CARE COSTS.

The global effort to eradicate polio has already saved more than \$27 billion in health care costs since 1988, and expects to save \$14 billion more by 2050.

5 YOUR GIFT WILL MAKE HISTORY.

Polio eradication will be one of history's greatest public health achievements, with polio following smallpox to become only the second human disease eradicated from the world.

At the end of the 1980s, more than 350,000 children were paralyzed by polio every year. Today, Rotary and its partners have reduced the incidence of polio by 99.9%. However, until we see the last of the poliovirus, eradication efforts need additional funding to:

IMMUNIZE

more than 400 million children against polio every year

IMPROVE

disease surveillance systems to detect any poliovirus in a person or the environment

HIRE

more than 150,000 health workers to go door to door to find every child

Donate now at endpolio.org

As World Polio Day, October 24, approaches, it is important to remind everyone that we are not done eradicating this disease. Global Polio eradication is Rotary's No. 1 priority. More than ever, we need all Rotary members to support our commitment to a polio free world. Please view and share this inspiring message on the importance of Polio Plus Societies and our commitment to the children of the world from our Rotary International President Jennifer Jones.

Notes

CARDBOARD SUPERHEROES

Superheroes have landed at the National Automobile Museum and you can see them now through November 12th!

the 4 way test

Of the things we think, say or do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

Be an encourager.

(The world has plenty of critics already)
